COMMUNITY PROGRAMME

It's always been our ambition to make Royston Town FC a focal point for the town and something to be proud of. Whilst we have made incredible progress on the field we now wish to see our interaction with our local community outside of football, match that progression.

We work very closely with Royston Town Youth FC, offering all 536 players complimentary season tickets and we've invested in developing Women's football and now have two successful senior sides, a Female Development Centre and a growing number of Youth sides. However, our connection with children outside of football has been very limited. The sale of former Royston Town goalkeeper, Will Norris, from Cambridge United to Wolves, resulted in a cash injection for the Club and a large proportion of this money was invested into setting up a Community Sports Programme for the benefit of the whole town.

Whilst football will always be our main focus, our intention is to interact with the town's youngsters and encourage every child to take up sport or physical activity in one form or another. As parents and responsible adults we owe this to our children and Royston Town FC will play its part in making that happen.

What we provide:

- School Holiday courses
- PE curriculum support
- Extra curricular clubs
- School Assemblies
- PPA Cover
- RTFC Projects
- Anti-Bullying projects
- Education projects
- Tiny Tots activity programme

Some Facts & Figures

- Our youngest participant is just 18 months old taking part in our new Tiny Tots programme.
- We are currently working in 7 different schools in and around Royston.
- Actively engaging with over 600 children on a weekly basis
- Currently delivering 6 different education projects
- A wide range of sports being delivered not just football
- Currently running 8 extra curricular clubs each week
- Over 150 children have signed up to our School holiday courses so far!

DON'T JUST TAKE OUR WORD FOR IT...

"We had a great afternoon watching the football at Royston Town, where we were made to feel very welcome. All of our staff thoroughly enjoyed themselves and it proved to be a good team bonding event. The added bonus was the exposure it gave to the company to a new, local audience."

Specialized Security Products

"It was a fantastic evening, the hospitality was fantastic"

Newlings of Royston

"We are proud to be the current sponsors of Royston Town this season and for the last five seasons. It's been a pleasure to support and provide the kit for both of Women's teams. Our sponsorship has not only helped us to expand our customer base but also allowed us the opportunity to make contributions to the development of women's football and the Royston community."

Royston Tandoori

"Our match day experience was a most pleasurable one and we were made to feel welcome from the moment we entered Garden Walk – it's good to feel that in some small way we have helped the Crows match day experience and the promotion of our well run and successful football team"

Ian Brown

"We take great pride in sponsoring a home match each year. The bonds between our two sides are strong and this small act of sponsorship is one we are proud to carry out. We are always made most welcome and the afternoon is an enjoyable one with the President, Chairman and all other committee members making us more than welcome"

INTERESTED?

Every year we hold a Sponsors Event ahead of one of our home fixtures. This event is open to both existing and prospective sponsors. It provides you with the perfect opportunity to discuss your sponsorship requirements with the Commercial team at Garden Walk, as well as taking in a game and sampling some of our renowned hospitality.

Our 2021 President's Evening will take place on TUESDAY 27th JULY when we host a Watford FC XI. Contact us today to discuss your promotional requirements and to reserve your place as spaces will be limited.

If you would like to discuss any of the sponsorship opportunities contained within this brochure, or to secure your place at our 2021/22 Sponsors Day please email:
