# Respite Care

Let us be your respite care partner, offering compassionate relief for family caregivers and maintaining the well-being of your loved ones.

At Sabaoth Care Ltd., we understand that being a primary caregiver is a labour of love, but everyone needs a break. Respite care provides short-term relief, allowing primary caregivers to recharge while ensuring your loved one receives exceptional care in a comfortable and familiar environment.

Flexibility is at the heart of our respite care plans. We understand that every family and care recipient is unique, which is why our respite care plans are fully customisable. From occasional breaks to more comprehensive support, we adapt to your specific needs, ensuring a seamless and tailored respite care experience.

## Types of Respite:

**In-Home Respite:** Our carers provide relief and support within the comfort of your home, ensuring continuity of care in a familiar environment.

**Adult Day Programmes:** Engaging and stimulating day programmes designed to provide respite for carers while offering socialisation and activities for care recipients.

**Overnight Respite:** Extended relief for caregivers, allowing them to take a break or attend to personal matters while ensuring care recipients are in capable and caring hands.

# Companion Care

Our commitment to promoting mental, emotional, and social well-being through genuine companionship sets us apart.

At Sabaoth Care Ltd., we understand that companionship is a fundamental pillar of well-being. Our companion care services go beyond traditional caregiving; we focus on creating meaningful connections that promote mental, emotional, and social well-being.

Our companion care services extend far beyond mere presence. From companionship to assistance with daily activities, transportation, and participation in recreational activities, we tailor our services to meet your unique needs.

Whether you seek a friendly face for conversation or a companion for outings, Sabaoth Care Ltd. is here to make every day more enjoyable.

## **The Importance of Companionship for Mental Health:**

Understand the profound impact companionship has on mental health. Beyond reducing stress and preventing depression, our companion care services actively contribute to enhancing overall emotional well-being. We believe that a caring companion is a vital part of a holistic approach to mental health and happiness.

# Complex Care

Discover the extraordinary level of support we provide through our complex care services. Designed for individuals with unique health needs, our comprehensive approach ensures that you or your loved one receives specialised care that goes beyond the ordinary.

We at Sabaoth Care Ltd. understand the intricacies of complex health requirements and offer unwavering support tailored to your specific needs.
