## RECYCLED LINE

### 2022

#### Custom designs

Regardless of the sport, each club is unique in its colors and coat so it is essential that the equipment be distinguished from the other. That's why we come to you with the opportunity of FULL customization on the surface of the equipment through SUBLIMATION.

#### Quick delivery

Standard production time is 7/10 days + transport (truck transport 4-5 days or air transport 1-2 days) But we work always with our clients needed time, so basically we can make for 1-2 day production time if really needed + air transport. NO express tax

#### Best quality

The vast majority of our textile products come from "European Community" manufacturing as well as the ink we use have European quality certification.

## Sashes

Our full colour HD printed promotional sashes are perfect for brand awareness, engagement and customer interaction, whether in-store or at public events. They are also popular for use at awards ceremonies, beauty pageants and sporting competitions. Digital sashes are printed in full colour (CMYK) onto white silky soft polyester, right to the edge of the material, so there is no restriction to the print area. The finished product not only feels comfortable, but also offers an exceptional print finish. Available in either a narrow (promotional) or a wide (deluxe) width. This standard digitally printed sash has a narrower width of 100mm which is shaped to the hip. **Standard Dimensions: 96x200cm**

## MINI T-SHIRTS

**:: DIGITAL FULL COLOR PRINTED ::**

We have a Mimaki sublimation printer, the new generation, which allows us to print high quality (1400 dpi) in a very short time.

We know the quality requirements of the EU market because we are exporters of pennants in France for over 10 years, so make sure you will not have problems with the delivery time and product quality.

Dimensions: 14x13.5cm and 17x16cm

The Mini Tshirts are delivered with plastic hanging system or cord.
