

CSR TEAM BUILDING EVENT

at a local village

INTRODUCTION

Samrong Village is a small rural village about 30-min. drive from Siem Reap. The people who are living there are super friendly and hospitable but lack basic infrastructure, sanitation, electricity and education.

It is our duty to help the underprivileged, and we combine our altruistic motives with a fun and engaging CSR team building event.

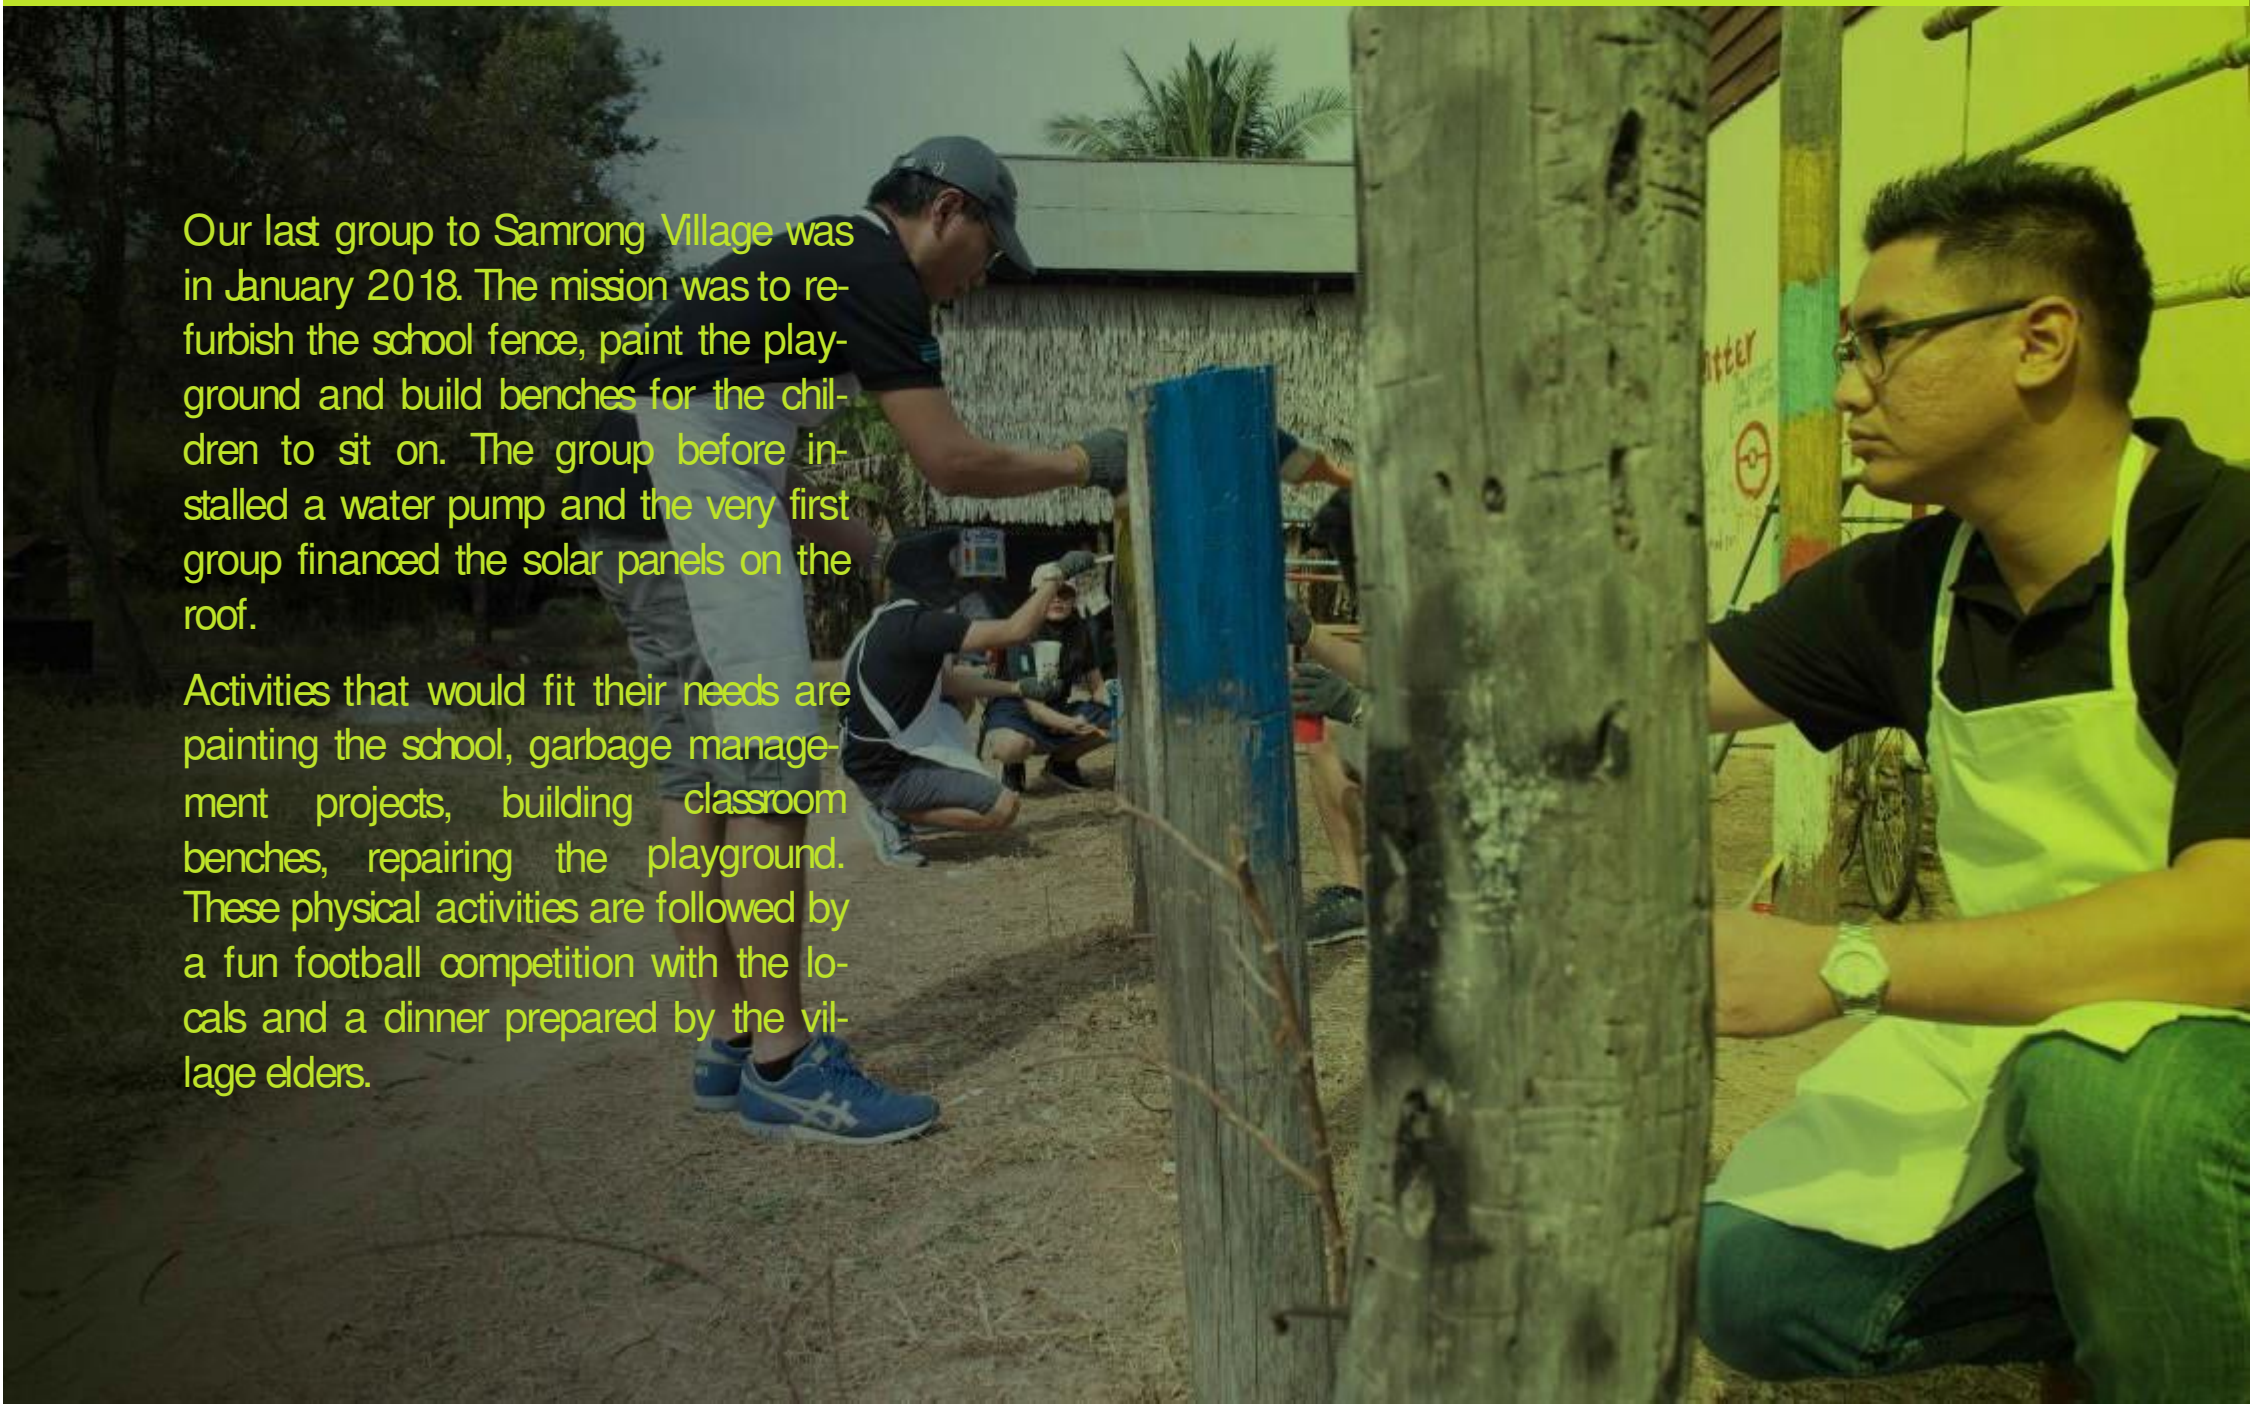

ACTIVITIES

Our last group to Samrong Village was in January 2018. The mission was to refurbish the school fence, paint the playground and build benches for the children to sit on. The group before installed a water pump and the very first group financed the solar panels on the roof.

Activities that would fit their needs are painting the school, garbage management projects, building classroom benches, repairing the playground. These physical activities are followed by a fun football competition with the locals and a dinner prepared by the village elders.

TARGET AUDIENCE

Are you looking for some team building events that are meaningful? Would you like to surprise your team with a special bonding experience that likely fit your organizational culture?

The focus is on establishing personal relationships and bonds between villager and participant and therefore we prefer (and sometimes choose) companies that are interested in a long-term relationship.

DURATION AND GROUP SIZE

This is a half-day CSR team building event which can be done in the morning or afternoon.

Would you like to extend this bonding experience with a village football competition and a dinner served by the village elders, then we suggest to leave Siem Reap by about 1 p.m.

Small to medium-sized groups is recommended, 10 to 60 participants.

Should your group size exceed 60 participants, please contact us at info@beunite.com.

AVAILABILITY

This CSR team building event is available in Siem Reap / Cambodia only. Although this event takes place year round, It is best to travel during the cold season, from November to February 2018.

For CSR activities outside Siem Reap, please contact us at contact@sam-inspire.com
