Are you looking for a meaningful CSR team building activity within close proximity to Siem Reap town?

Should your upcoming CSR project be fun and meaningful, should it support the underprivileged and rural communities?

TOOLS FOR SCHOOLS

Should this CSR event not only benefit your team by increasing trust, camaraderie and team spirit, but also lift the mood of societies most disadvantaged?

TOOLS FOR SCHOOLS

Then Siem Reap Tools for Schools is the perfect CSR team building event for groups size 10 to 100 participants.

TOOLS FOR SCHOOLS

With Tools for Schools, we support Angkor Kids center, a charity and non-profit foundation in Samrong village, 45-min drive from Siem Reap town.

TOOLS FOR SCHOOLS

Your team is taken to the village and back by air-condition vans or coaches.

TOOLS FOR SCHOOLS

Program Option A Infrastructure upgrade

TOOLS FOR SCHOOLS

The program starts with a classroom teaching session, whereby participants are split into small teams of instructors and teach children a short 15-minutes session including math, art, language and sport.

TOOLS FOR SCHOOLS

The program continues with a school renovation or infrastructure upgrade activity and this could be anything from school painting over small refurbishing tasks, building a library, to installing solar pannels at the roof top.

The exact renovation activity depends upon the participant's skill sets and what is considered urgent by the foundation at the time of the event.

TOOLS FOR SCHOOLS

The program continues
with a football
competition between the
kids and your executives.
Kids love it, and their
eyes sparkle.

TOOLS FOR SCHOOLS

List of renovation/building activities:

- Solar street lamp.
- Building a welcome sign board.
- Fixing football goals.
- Building a fence around the school yard.
- Rubbish collection.
- Building a football net around the pitch.
- Upgrading the toilets.

If participants bring gifts for the kids, this will be distributed towards the end of the event. Alternatively, drinks and ice-cream time together with students.

TOOLS FOR SCHOOLS

Option B
Bicycle building

The program starts with a classroom teaching session, followed by building bicycles for kids and closed by the football competition.

TOOLS FOR SCHOOLS

Samnan Chhon, the director of Angkor Kids center ensures that all activities are according to the highest international standards, both in terms of quality materials and code of conduct.

TOOLS FOR SCHOOLS

Recommended gifts for the kids:

- Pencils / Pens
- Writing utensils.
- Sport utensils, Badminton rackets, footballs, etc.
- Picture books.
- Toys made from wood.
 - Board games
