RE: Letter of Recommendation for SAM INSPIRE

To Whom it May Concern:

I, Jeannette Gonzalez, hereby express my recommendation of the SAM INSPIRE team. I serve as the LEM Relationships Supervisor in support of the US Department of Commerce (DoC) Commercial Law Development Program (CLDP). My role is to locate Local Event Managers (LEM) worldwide to support CLDP programs in over 60 countries. I have supported the team for the past 6 years, and I'm pleased to say that SAM INSPIRE has become our key subcontractor in Cambodia. From the very beginning, they accommodated the needs of the contract and adapted quickly to the CLDP-PSA dynamics.

With years of event management experience, SAM INSPIRE has successfully demonstrated their ability to effectively interact with people of diverse backgrounds, provided a service-oriented approach with a key eye for detail, possess high organization skills and the ability to manage multiple deadlines and budgets simultaneously.

Sam and his team can orchestrate and execute events in the region providing the high caliber of quality control and project management excellence CLDP has come to rely. Among the many services SAM INSPIRE has seamlessly provided include: Local Event Management (LEM), organization of events both online and in person, working with vendors and hotels, providing catering, participant registration, document production and printing, arranging transportation, renting AV and other equipment for high quality interpretation services.

Through all of these deliverables, SAM INSPIRE communicated with the client quickly and efficiently. Their turn around time is quite impressive and consistent. The highest recommendation I can give is that I look forward to working with SAM INSPIRE on many forthcoming projects with CLDP. They are a pleasure to work with and it is my please to recommend them.

Sincerely,

Jeannette Gonzalez
