Dear Friends,

Thank you for an interesting year in Scone and St Martins. That's the year up now and where might the next one lead. Well that is not in your hands or mine but in God's. With the coming of springtime blessing, I thrill. The Manse garden has many bulbs poking their way through but the snowdrop has been my delight since New Year's Day, seemingly frail and tender it has made its way through the icy temperatures to gracefully bloom in a new day and year. It reminds us how the attribute of grace is a special one to embrace and own.

Flowers have their stories to tell and my flower convener throughout many years of ministry used to enjoy our sharing their significance. Lilies spoke of death but they also trumpeted Resurrection. The giving of flowers, the arranging of flowers, and the delivery of flowers, we always regarded as a special ministry. Let me share with you a little about the significance of flowers. It's amazing how long the Alstroemeria lasts. It is considered the flower of *friendship*, and true friendship is a wonderful gift. The Amaryllis speaks of *worth beyond beauty*. *Patience* is symbolized by the Aster. The Bird of Paradise symbolizes *joyfulness*. The Anthurium speaks of *hospitality*. Bouvardia Double indicates *zest for life*. The Chrysanthemum symbolizes *fidelity* and the Gardenia, *purity* and *sweetness*. Gerbera belongs to the daisy family and therefore assumes the symbolism of *cheerfulness*. Gladiolus symbolizes *strength of character*, *faithfulness* and *honour* and the Blue Iris symbolizes *faith and hope*. And so I could go on but think on these things and be kind to one another. You can also find a book on Biblical Flowers; why not treat yourself to it.

Easter will be on us before we know it. At the time of going to print we will have a donkey on Palm Sunday. It really would be good to get this publicized. Maundy Thursday, I am hoping to have a Passover Meal and Communion and a Good Friday Evening Service. On Easter Saturday it would be lovely if some of us got together and created the Easter Garden in the Old Kirk where the services are held this year. Bring a little plant or two and if you are so skilled or willing to help make the Easter Tomb that would be great. How much I would love it if the whole community in Scone could get involved.

May the coming month be a thoughtful one as we move towards Good Friday and Easter Day. Finally, a Prayer for Peace as we travel through this Lenten Season.

Jesus, you told your followers "Do not let your hearts be troubled. You believe in God; believe also in me. Peace I leave with you; my peace I give to you. I do not give to you as the world gives". I need your peace, Lord. I need "the peace of God, which transcends all understanding" to guard my heart and mind. I need peaceful sleep. I ask for peaceful thoughts and emotions to rule my days and nights, and I entrust my loved ones into your keeping. Amen.

Maudeen

Session Clerk's Report

The Kirk Session met 3 times in 4 weeks, so we have been busy. We were preparing for a visit from the Local Church Review team and then they came to a Session meeting to speak to the elders and get our views on what we were doing and what we want to do in the future. We also had our usual meeting in between that. The next thing to come out of the Local Church Review is a 5-year plan.

The Committees of the Kirk Session are Outreach and Education, Pastoral Care, Finance, Property, Social and Fundraising and Communications. You do not need to be an elder to be a member of a committee. The Outreach and Education committee is desperately short of members so if you would like to help please speak to Ian MacKinnon. They are planning for VE Day 75th celebrations and would welcome any help possible with that, so perhaps if you have an interest in the upcoming celebrations you could offer some support. If you are interested in any of the other committees, please let me know.

Kenny McAlpine has resigned as an elder, but he will continue as Boys' Brigade Captain, working with the Junior and Company Sections. He will also continue as a member of the Social and Fundraising committee. Kenny was thanked for all his hard work over the years at the last session meeting.

Have you decided what you are going to give up for Lent? I have been following a few places on Facebook and some of the suggestions are that you put aside one item for the Foodbank for every day of Lent. Another is that you recycle one garment/accessory per day and take it to your local charity shop. Perhaps you could put 20p or 50p in a jar every time you eat a piece of fruit or chocolate that is not Fairtrade? If you receive Life and Work, there is an excellent leaflet from Christian Aid with ideas for each day of Lent. Of course, you can always give up chocolate!

Marian Forgan, Session Clerk

VESTRY HOUR

WEDNESDAY EVENINGS 7 - 8 pm

What is Vestry Hour?	Minister's Office Hour
Can I pop in?	Open to All. Opportunity to discuss a possible Baptism, Wedding, or anything else in confidence.
Where will it be held?	In the Vestry of whichever Church we are worshipping in.

In March & May Scone New Vestry - enter by the side door of the Church.
In April & June Scone Old Vestry - building as you enter the Church gate.

Company Section

Three teams of three took part in the annual mini volleyball tournament at Bells Sports Centre. It was only Kinross who also put a team in. Needless to say we won the tournament. In fact we were first, second and third! No disrespect to Kinross they are great fun and enjoy participating. The chess team move on to the Scottish final of the National Championships, having won their semi-final against 2nd Gourrock. It was a slightly disappointing tie as due to a communication failure by Gourrock they turned up with only 2 boys. This meant that we were three games up before play started. The remaining six games went 5 to Scone and one game halved. Grateful thanks to Alex Collie for all he does on the coaching front. Whilst it is good to report achievements we have to note that there can be reverses. We have lost 4 boys this session for various reasons and that is disappointing.

We try to deliver a varied programme and over the next month there will be the Scripture Search challenge; the drill competition (where Ryan is taking the competition class and Jamie is taking the basic class); Top Team Challenge (a National Competition); local 5 a side; and last but not least our annual taking of a church service. We are also hoping to run a first aid class.

To parody a passage from the Bible, I have left the best to the last. Ryan Mudie is now a fully qualified officer in the Company Section. He has progressed through the Company over many years and in that time has been the lead member of the chess team. As above he trains one of the drill teams, a task he has been doing for some years now.

75th Anniversary VE Day Friday 8 May - Sunday 10 May

Plans for the nation to commemorate and celebrate the 75th Anniversary of VE Day are well in hand. Both churches in Scone will be open for prayer and meditation on Friday 8 May from 1 noon to 7.15pm. Items of interest will take place at certain times during the afternoon and evening. An Act of Commemoration will take place between 2.30 pm - 3.00 pm, remembering in particular those from the parish of Scone and St Martins who fell during the 2nd World War. There are 14 names on Scone War Memorial and 6 names on the St Martins War Memorial. The Kirk Session would like to specially invite any known descendants who might wish to participate in remembering their loved one. A list containing the names of those on the Scone and St Martins War Memorials will be placed in the 3 church vestibules and both church hall vestibules in Scone.

If anyone has information on the families please make a note in the file provided or contact Ian MacKinnon (551975), Ann Gellatly (552370) or Jimmy Reid (552532). A timetable of events over the weekend will be published in the April Church News.

CHRISTIAN AID NEWS

Faith's Fields of Hope – Faith's fields used to be dirt and dust. Ongoing drought in Kenya meant next to nothing grew. Water was scarce. Faith said: ' We did not even try to farm or plant vegetables because there was no water. Without farming, Faith and her husband Steven didn't have enough to eat or sell. Hunger was a reality, sending their children to school an impossibility. Now Faith grows crops that are lush and green thanks to a nearby dam. Her local community got together to build the sand dam with the help of Christian Aid's partner ADSE.

Drought pushed Faith to the brink, but, with your support, she brought her fields back to life. Will you help others to overcome climate change this lent?

Count Your Blessings 2020, a daily reflection and challenges for lent will help you do this. Copies are available from Peggy Lamond or at caid.org/lent.

Dates for your Diary:

Charity Organ Recital - by Andrew Forbes on Saturday 4 April 2020 at 2.00 pm in St. John's Kirk, Perth. Tickets, priced £10 are available from Concorde Music and at the door. All proceeds to Christian Aid.

Andrew grew up in Perth and is now an international prize winning organist. He returns to his home town, performing a recital of popular classics on the organ where he had his first lesson.

Bridge Cross - Forth Road and Tay Bridge cross will be on 25 April 2020. Details from Peggy Lamond.

Christian Aid Coffee Morning - The annual coffee morning will take place on 9 May 2020 in North Church Hall. Tickets available soon.

Christian Aid Week - 10 May to 16 May 2020. In 2019 together we raised £7.5 million pounds. This year is Christian Aid's 75th anniversary. Let's make it a good one. Look out for events before and during Christian Aid week.

As usual we are looking for helpers to distribute and collect envelopes around the parish during Christian Aid Week. If you can help, please contact me on the number below.

Thank You

Dear Friends

John and I would like to thank you for your good wishes on our recent move to Balerno. The beautiful calligraphy certificate, lovely flowers and overwhelming amount of cards and letters have been most appreciated. We will always have happy memories of the folk in Scone and St Martins Church and wish you well in all your future projects.

With grateful thanks
John and Lorna Crighton

Kenny and Anne Lamond wish to thank all the kind people who helped in any way when Anne was in PRI having a hip replacement and Kenny was in respite for 6 weeks to allow Anne to "get back on her feet".

All the kindness of baking, visits, little gifts, cards, phone calls and car drivers were much appreciated. Kenny is glad to be back home and Anne is recovering well and has had a good report from her surgeon.

Thank you again
Anne and Kenny Lamond

THINKING DAY 2020

On Sunday 23 February the congregation was joined by Scone and Balbeggie Guides, Brownies and Rainbows along with Scone Scouts, Cubs and Beavers to celebrate Thinking Day and Founder's Day – important dates in the Girlguiding and Scouting families. The events mark the birthdays of the founders of both movements, Lord Baden Powell and Lady Baden Powell. Both organisations were begun in England and soon spread around the world and it is at this time that members of both movements think about and remember their counterparts in other countries. For many of the congregation seeing and hearing the young folk enjoying the occasion brought back many memories of their own time in the Guides and Scouts.

Guild

Fiona Corner came to the Guild on 28 January 2020 to talk about the Dementia Dog Project. Members were interested to learn how dogs (mainly Labradors or Labrador cross retrievers) can be trained to assist dementia sufferers maintain a structured routine at home. They can also be a social connector within the community and an emotional anchor for the person with dementia and their carer. They can be trained to retrieve a medication pouch and remove items of clothing when it is time to get dressed. Dementia Dog Project are pleased to be working in partnership with the Scottish Prison Service at HMP Castle Huntly - men in custody assist with the training.

Unfortunately the meeting on 11 February, at which Anne Magnusson was invited to speak had to be cancelled due to the adverse weather conditions.

Stewart Nelson, Home Safety Officer with the Fire Service, was the speaker at Balformo Road on 18 February 2020. He gave an interesting and informative talk on safety in the home and high-lighted the need to check electric blankets and how important it was to install smoke alarms. Regulations are to be updated next February. Canisters with personal information which can be placed in the fridge were distributed.

There only now remain another three formal meetings until the session ends – how time flies! These are as follows:

Since the outbreak of violence in their countries over 8 years ago 1.5 million Syrian and Iraqi refugees have sought safety in Lebanon and have suffered enormous pressure and hardship. They have almost no future expectations and the conflicts in their countries are still far from over. The Bible Society in Lebanon works to reach those affected – offering them the hope of God’s word. With our help, Arabic Refugee Bibles, which include a full Bible with a bulletin offering selected scripture passages will be distributed.

Please pray that Syrian and Iraqi refugees will persevere during these difficult times. Pray for them to have courage and for a strengthening of their faith through scripture.

Prayer Notes

“Be joyful always, pray continuously, give thanks in all circumstances for this is God’s will for you in Jesus Christ” Thessalonians, 5, v 16-18.

O God of such wonder, It is our utter delight to be able to talk and walk with you each day, Sometimes we are racing into your presence full of news and chatter and excitement. At other times it is enough simply to sit and be gently touching the hem of your robe. When we do not have words to speak, then you surround us, lifting us through the worst, and when we are in distress, you understand and slowly walk with us. So we offer you our prayers O Lord, with all the love in our being, both those that tumble out loud and those that are whispered in our hearts. In the name of God Amen.

A Morning Prayer

Help us this day, O Lord
To speak with the eyes and heart of welcome.
Help us this day, O Lord
To give of our time and listen.
Help us this day, O Lord
To share our bread with love.
Help us this day, O Lord
To learn to receive as well as give.
Help us this day, O Lord
To be ready for the day you will come to me unexpectedly
And we will find ourselves with you unaware.
O what joy this day will bring
And praise to you almighty God.

Perth Street Pastors

Spring 2020 Newsheet

SC03961

Your ... neighbours

- ... tradesmen
- ... professionals
- ... shop staff

are some of folk we meet on the streets! Many of them...

... are covering up worries or hurts
... have an inaccurate picture of the Christian faith, rejecting not Jesus but some hang-ups over a misunderstanding of "religion"

What can we - and you! -do?

We - and you - can ...

- i. ... notice people taking time to listen to them in confidence
- ii. ... pray for them
- iii. ... try to understand where they are coming from.
- iv. ... show and share the love of Jesus, accurately representing a relationship with God Who values and gives identity.

A couple of examples :

1. Ex-service personnel and others

It is estimated that 1 in 3 people who have been in combat or have had serious incidents such as assaults, road traffic accidents or traumatic bereavements are affected by PTSD (post-traumatic stress disorder (PTSD)). Someone with PTSD often relives the traumatic event through nightmares and flashbacks, and may experience feelings of isolation, irritability and guilt. Suppose someone has a boil.

Rather than squeezing poison into one's system, it should be lanced in an antiseptic atmosphere. So with unhealthy thoughts ... if bottled up they can lead to depression or aggression. It is far better to get them out with someone who cares and can be trusted. It is not helpful to things bottle up.

Many thanks

to those congregations ...

... who supported Street Pastors from their congregations at commissionings in 2019.
... who regularly pray for us
... who encourage others to come out as observers to help think about being SPs - night-shift, day-shift, or school ! **Note that early evening shifts give an opportunity for those unable to do nights !**

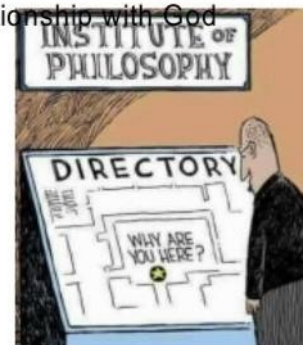

2. Students

In a post-institutional age, "religion" and "church" are often perceived as negatives, but relationship, value, identity, people with a cause are seen as positives. The Christian faith is about a living relationship with God Who on the cross has placed eternal value on our lives, from which we find our identity and belong to the church - a people with the cause of showing and sharing God's love

A leading worker with students said last month:

"18-24 year olds are the most likely to welcome spiritual conversations. But as they have been raised in a largely secular context they know little about Jesus' truth claims and "power for life transformation" The questions they ask are often superficial, but it does not take much for them to become much more serious as they discover Christianity's "ring of truth", especially as they perceive that Christianity carries much more explanatory power than any other big story for how life really feels"

**Give me, O Lord,
a heart at leisure from itself
to soothe and understand.**

Children's Story

Jesus – A Very Special Person

Have you ever noticed that when you go to Church, you hear a lot about Jesus? Have you ever wondered why this is? Let me explain to you, by telling you two stories. Dorothy was a little girl. She had curly hair and blue eyes. She went to school every day. She liked to play with her friends. Dorothy had a very special person. You'll never guess who - on the other hand perhaps you will - her teddy bear! He wasn't very clean or tidy, a bit ragged and frayed at the edges in fact, but for Dorothy he was a very special person indeed. When she went to bed, guess who went with her? When she visited her granny or went on holiday - why of course - teddy went too! Teddy was very special. Billy was a little boy. He liked going to school and playing on the swings and playing football in the park and riding his bike. He too had someone special - his friend Bobby. They went to school together every day. They played together after school. Bobby was Billy's special person. Father God made the world and put all the wonderful things in it, like stars and mountains and flowers and animals and of course people. He has a special person too - Jesus! Jesus is God's special person. When you sing about Jesus and pray to Jesus and learn about him from the Bible, remember - he is Father God's very special person, very special indeed!
