DESIGN OUR RUGBY LEAGUE WORLD CUP 2021 TRAINING SHIRT!

Scotland Rugby League have teamed up with Community Integrated Care, one of Scotland's biggest and most successful social care charities, to launch a very special competition!

We are inviting a person who has care or support needs to help design the official Scotland Rugby League training t-shirt, which will be worn at the Rugby League World Cup 2021! This project is open to social care providers, SEN schools, community groups, or people who want to apply independently. *Have fun and get creative!*

This competition celebrates our new partnership with Community Integrated Care, as our Official Social Care Partner. Together, we will be helping to create new opportunities for people who have support needs to enjoy our amazing sport.

About the competition

Scotland are proud to be playing in both the Men's and Wheelchair Rugby League competitions at the Rugby League World Cup 2021.

This tournament takes place in across England in October and November 2021. It will be one of the biggest sporting events of the year, watched by millions of people.

We are excited to give someone the opportunity to design the training t-shirt that both of our teams will train in before and at the event.

We are open to any creative ideas, but we have three key themes that we would like people to focus on:

 **Scotland**

 **The Rugby League World Cup 2021**

 **Inclusion**

We're not necessarily looking for the best artist. We just want to see a creative design that our team will be proud to wear.

Our winner's idea will be professionally re-designed, so their creation looks amazing on our kit.

Our judges may choose to bring together different entries to create a shirt that features the best elements of several designs.

Judging

The judging will be led by representatives of Scotland Rugby League, as well as people supported by Community Integrated Care. We are committed to making this an inclusive process.

PRIZES

-  **The winning design will become the official Scotland Rugby League training t-shirt for the Rugby League World Cup 2021.**
-  **Our winner(s) will receive a specially framed version of their kit.**

They will also receive a pair of tickets to watch the Scotland men's team play in Newcastle. Should the winner not be able to visit Newcastle, we will instead offer a special pack of RLWC2021 and Scotland Rugby League merchandise.

Runners up prizes will also be on offer.

Scotland Rugby League and Community Integrated Care are proud to be working in partnership. We are proud to be the first international governing body in Scotland to form an Official Social Care Partnership.

Together, we will be creating new opportunities to enable people who have care and support needs to play, participate in and watch the sport of Rugby League.

ABOUT COMMUNITY INTEGRATED CARE

Community Integrated Care is one of the UK's largest and most successful social care charities. It supports more than 4000 people nationally. Our services in Scotland span from the Highlands to the Scottish Borders.

We have been recognised with the highest honours in the care and charity sectors, including at the Great British Care Awards, Skills for Care Accolades, and as the prestigious Charity Times 'Charity of the Year'.

Our charity has a long-history of promoting inclusion in partnership with the sport of Rugby League. We are proud to also be the Official Social Care Partner of Super League, the Rugby Football League and Rugby League World Cup 2021.

For more information on our services and this partnership visit: www.c-i-c.co.uk or contact community@c-i-c.co.uk.

ABOUT SCOTLAND RUGBY LEAGUE

Scotland Rugby League is the governing body for rugby league in Scotland overseeing development and participation at all levels of the sport.
