WELCOME

Good afternoon and welcome to Myreside for our Rugby League World Cup warm-up game against England Knights.

Our journey to the competition was completed in 2019 with wins over both Serbia in Glasgow and Greece in London.

We will be based in Newcastle for the group stage of the World Cup. Our first game is against Italy on October 16th at Kingston Park, followed by Australia at the Coventry Building Society Arena on October 21st and finally we face Fiji at Kingston Park on October 29th.

I would also like to wish a warm welcome to our Wheelchair squad who are also competing in this year's Rugby League World Cup. For the first time ever the Men's, Women's and Wheelchair competitions are taking place together.

The Wheelchair squad have a warm-up game in Medway, Kent against the Skyring Wheelaroos – Australia's team, on 31st October before settling into camp in Sheffield.

Their group fixtures are against the USA on 4th October, France on 7th October, and finally Wales on 10th October. All matches will take place at the EIS in Sheffield.

Huge congratulations go to Ollie Cruickshank, our Director of Operations who will be going to this years Wheelchair World Cup as part of the Match Officials Squad.
