Hello,

Well we do have a complete Rolleimarin underwater case in our museum but no spare parts.

Sorry but for the time being we don't know where to find any.

Best regards

Dear Sir/Madam,

I am writing to enquire about the availability of Rolleimarin parts that your museum may have in its collection. I am a private collector and underwater photography enthusiast and am looking to purchase a few parts to complete my precious Rolleimarin underwater case.

Could you please let me know if you have any parts available for sale, their price, and any other relevant information?

Thank you for your time and assistance. I greatly appreciate your help and look forward to hearing back from you soon.

Best Regards,
