3 Different Joe Savoie Helmets Just In For Sale!

An unbelievable trio of rare examples from the famed Louisiana diving helmet maker! These helmets were handmade in Savoie's backyard during the 1970's. Today they are regarded as one of the most revolutionary advances in diving helmet design. While they are currently quite valuable, their historic & monetary value will likely only continue to keep increasing!

These helmets are being sold on a first come first serve basis. If there is one you are interested in, make sure and call or email

immediately!
