Bath/toilet chair with a stainless steel frame. Fitted with a soft PU seat with a front opening (also available in HDPE/ABS/visco-elastic padding). Fold-away, height-adjustable armrests and swan-neck footrests with independent, removable, fold-away platforms that are adjustable in height and angle. Tensioned backrest adjustable via tension straps, with a fixed angle of 6°. Two 24" self-propulsion wheels with a manual 'push-to-lock' brake to free up the user's transfer area, and two castors with a diameter of 100 mm. Maximum user weight: 200 kg.
