

Dress up your goods by On-demand production of labels, tags and flexible packages in right time, right place & right quantity

PROFESSIONAL DIGITAL
SHEET-FED DIE CUTTER

DUOBLADE F

With DUOBLADE F,

You can make super A3 size labels and stickers printed from widely spread laser toner A3 commercial printers or even conventional printers.

No human intervention is required after starting by stacking 1,000 sheets at once. Highly accurate, fast and intelligent.

Remote operation can be done by automatic mark-sensing at starting and repeating.

APPLICATIONS

Product labels, Fancy stickers, Name stickers, Deco labels ...

Dress up your goods by On-demand production of labels, tags and flexible packages in right time, right place & right quantity

FEATURE

HIGH CAPACITY

Stacking 1000 sheets to cut all at once automatically

DUAL BLADE

Using 2 blades for double speed. Gap between blades is electrically adjustable (30mm ~ 15mm)

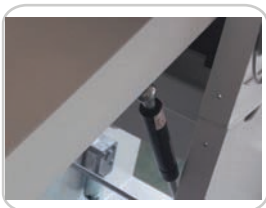

LIFT SENSOR

Stable feeding with adjustable height sensor when stacking bed rises

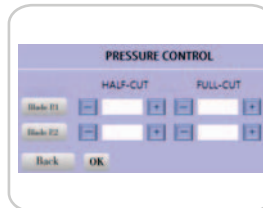

AIR & SUCTION

Suction belt and air brush for no-jam feeding, using strong fans, not air compressor

FOLDABLE BASKET

Basket to collect finished sheets can be folded by air suspension

KISS CUT/ FULL CUT

Two heads can do full-cut and kiss cut at the same time with double pressure

SPECIFICATION

- Max.feeder capacity 1,000 sheets / 200gsm
- Label width 100 ~ 360 mm
- Max. media size 360 x 840 mm
- Min. media size 100 x 100 mm
- Max. label size 340 x 800 mm
- Min. label size 10 x 10 mm
- Cutting speed Max. 3000 mm/s (Acc. Max. 500mm/sec²) (Super A3 120 ~ 500 Sheets/hour)
- Qty of heads 2 heads
- Die-cutting technology with tungsten carbide blades
- Power 100 ~ 240 VAC, 1000 W
- Machine size 85(L) x 71(W) x 117(H) cm
- Weight 120 kg
