

SPORTING CHANCES' SUPPORT FOR GYPSY, ROMA & TRAVELLER CHILDREN

At Sporting Chances (SC) we understand that Gypsy, Roma, Traveller children can experience gaps in their education in both nomadic and settled communities that can lead to feelings of exclusion from wider society. It is the right of every child to have an education that is of a high quality. We empower young people to unlock and achieve their full aspirational potential within a safe and culturally sensitive environment.

WHAT WE OFFER?

EDUCATION

We offer 4 hours of 1-to-1 English and maths tuition respectively. Lessons are delivered via the Zoom platform by highly qualified teachers who will work exclusively with the Gypsy, Roma and Traveller children referred into our service. They are substantially experienced in working with young people who do not consistently access mainstream schooling and are proficient in writing comprehensive weekly reports to keep key stakeholders up to date with pupil progress.

ONLINE MENTORING

Our 30 minutes to 1 hour long zoom sessions with our highly experienced mentors aim to:

- Empower and assist them to improve their physical and emotional wellbeing
- Inspire, motivate and actively listen to their needs
- Re-engage children with their education and encourage sustained learning
- To alleviate the pressures on parents/carers who find behaviours challenging

OUTREACH MENTORING
