Have you thought about the need for a production & consumption model towards a **Zero Waste Strategy**? Maybe you have been inspired by the cities going green one by one?

We definitely have been focused on these subjects and our way of making a difference is called **Zero Waste Power project**!

Tito Livio Mongelli

titoliviomongelli@gmail.com

***Zero Waste Power in HoReCa is a project funded by the EU
(1.9.2019-28.02.2022)***

Zero Waste Power in HoReCa has in its focus all subjects related to the zero waste work and educational model. It aims to detect new approaches in dealing with current environmental issues linked to the HoReCa sector.

Tito Livio Mongelli

titoliviomongelli@gmail.com

Who is involved in this mission?

Three vocational catering schools, two adult education institutions and two private sector organizations from Croatia, Spain, Ireland, Slovenia, and Italy.

Tito Livio Mongelli

titoliviomongelli@gmail.com

What are the outcomes of the project?

Zero waste will develop **Zero Waste Curriculum, Zero waste digital educational tools, and Zero Waste evaluation tool**. All together they will be one whole package for educating and estimating Zero waste level.

Those tools are for workers/managers in the HoReCa sector and future employee – present students.

Tito Livio Mongelli

titoliviomongelli@gmail.com

New gained skills will provide a possibility for conducting Zero waste management procedures and measures in a working environment.
