7.p.m. for a prompt start at 7.15 please

## Verandah Poems

### jean binta breeze

jean binta breeze focuses on later life, return, recovery and taking it easy in her latest collection of poems.

So how do poets slow daily life down and reflect?

Can a sequence like this bring a number of concerns together? We'll read poems about sitting and looking as well as poems about making connections. And then write our own based on this delightful approach to life, sitting on the verandah!

*Slipstream Committee: Mandy Pannett, (01798 873841)  
Diana Mitchener, Gillie Reid, David Slade*

Leading this month's workshop
