WCF - 35 YEARS OF GREAT SHOWS IN ALL 6 CONTINENTS !!!

Uppsala - Sweden

WCF SHOW LICENSING Date: May 06, 07 2023

Novosibirsk, 2023-01-30 issue-1

1st application: 2023-01-23

License L# 234057- EUROPE CONTINENT WORLD SHOW- EUR-020 WS-C20629, WS-C20630

to: SNRF, CATO, Magnificats

Att.: Mrs Wiveca Fransson, Mrs. Natalja Rozkova Dear President(s),

Magnificat

This license is to give you the right to hold the show listed below once it is licensed under WCF Show Rules and regulations.

No other rings, for whatever purpose, are allowed in WCF shows, only WCF-rings. See approved rules for that purpose.

Responsible Club: SNRF (SE-0236)

Co-organizing clubs: CATO (EE-0191), Magnificats RO-0282

WCF Rings Adult, Kitten/Junior, Neuter Master Ring

Double Master Ring Triple, Master Ring

Judges:

Mr. Wojciech-Albert Kurkowski, Poland (AB & Representative WCF)

Mrs. Thea Lamprecht, South Africa (AB, WCF)

Mr. Dr. Johan H. Lamprecht, South Africa (AB, WCF)

Mrs. Aija Nuke, Latvia (AB, WCF)

Mrs. Natalia Rozkova, Estonia (AB, WCF)

Note:

It is not allowed to add any judge, not listed in this license, and no other judge, for whatever purpose, is allowed to judge on this exhibition. Monobreed rings are generally not permitted; any wins will not be recognized.

The only rings, which you are permitted to perform, are the 4 WCF-rings as defined in the Show Rules. All other rings need the permission of the office.

You may organize special breed shows (at least 10 cats). These special breed shows are not permitted to be called "ring" or to be performed as ring. In connection with special breed shows you have to do a separate Best in Show for specific breeds, which must be made according to the rules for the BIS.

The winners of the BIS for the 5 categories and the winners of the BIS of special breed shows are allowed to participate in the Best of Best. A cat can only participate in one BIS per show.

Please remember to place on stage a large WCF symbol and print this license on one of the first pages of the show catalogue.

ALL EXHIBITIONS MUST BE LICENSED BY WCF and only exhibitions with licenses printed in the show catalogues prove they are really licensed and valid for WCF awards.

Each show catalogue must include a page for the WCF, including the names and addresses of the actual Board-members.

In all World and International Shows with foreign judges or exhibitors, all announcements and cat calls during the show and Best in Show ceremonies, MUST BE made in the official language of WCF or one of the working WCF languages, not only in the native language of the country.

In WCF exhibitions cats may not be judged more than once per day (except shows with double judgement) even in combined exhibitions with two or more WCF-clubs.

An electronically copy of the show catalogue, of all protocols including the respective results must be sent to the Chairman of the Show commission to the mail address show.results@wcf-online.de, latest 10 days after the date of exhibition.

The club will face disciplinary actions, and at least a fine will apply if the club does not comply with these resolutions.

In addition, we want to remind you of the following important points:

International shows can only be recognized, if an amount of minimum 80 cats are registered in the catalogue on each showday. A change of the place or the date requires new license numbers.

All changes have to be sent as soon as possible. Otherwise, there can be no guarantee that the updated license will be granted on time.

If you have to cancel the exhibition it is necessary to inform the license manager before the planned date.

This license will become invalid with suspension or expulsion of the requesting club. Likewise, it loses its validity for non prolongation of patronage. There is no claim for reimbursement of the license fees.

All WCF clubs are welcome to participate in the WCF Best Cat. .

We from the Board wish you all the best for this upcoming show.

Best regards

WCF show licensing management Marina
Khodusova

According to § 28 and § 29 BDSG (Federal Data Protection Act) passing on of all WCF exhibition data including show results to third parties for NON-WCF purposes is prohibited.
