MONROVIA, LIBERIA CHILDREN

Praise, Mary, Martha

Rancy and Blessing

OUR KIDS ARE BACK IN SCHOOL

Soda is pleased to continue sponsoring five children in Monrovia, Liberia which is one of the poorest countries in the world. We do this in collaboration with Children's Welfare International (CWI). Joseph Jarbah, who is on the Board, is our local contact. We have been helping them with school expenses and occasionally food, and hope to sponsor them until all five finish at least a high school education. Our most recent gift of \$ 2,170 that we sent in August will cover tuition, activity fees, required books and uniforms for the whole year for all five students! All the children were attending the Borto Academy. This fall, three of the kids are going to new schools, which are much closer to their homes, so they can now walk to school. Because of transportation difficulties, some had been frequently tardy or missing whole days of school. These are the children we sponsor:

Praise (also known as Princess)- promoted to the 10th grade; attending Dr. Henry Reeves High School.

Mary- promoted to the 9th grade; Billie Call Christian Institute

Rancy (Boy)- Promoted to the 7th grade; attending the Billie Call Christian Institute

Martha- promoted to the 5th grade; attending the Borto Academy

Blessing (Boy)- Promoted to 4th grade; attending the Borto Academy

In Celebration of Praise's graduation from Elementary School, we have sent her a special Graduation gift! We need your financial support to continue helping these Children and their families, so please consider donating today!
