SODA News Flash #67
NOVEMBER 2022

On Tuesday, November 8, our Election for local and state races and issues will be held!

Here in Washington, we can vote by mail any time after receiving our ballots up until November 8 (needs to be postmarked by that day, or your ballot placed in an official ballot drop box before 8:00pm on that date).

Don't FORGET TO MAKE YOUR VOICE HEARD

The right to vote is one of the most important rights we have here in the United States, and voting is the only way to be sure our Democracy is going in the right direction. If enough of us DO NOT VOTE, our government could be taken over by people who do NOT RESPECT our beliefs, values, or our freedoms.

Therefore, as Director of SODA, I strongly urge all of you to read about the candidates and issues and then fill out and mail your ballots as soon as possible, so you won't forget to be a good example to your friends, family, and neighbors. If you wish, you can put your completed ballot in an official neighborhood ballot box before 8p on election day.

PLEASE DON'T FORGET TO MAKE YOUR VOICE HEARD!! VOTE!!
