Beauty of Spring

Spring is here
It comes so far and near.
The Beauty of the Earth is so
clear.
We need to do our part
to see the beauty all
around us in our hearts.
Love the earth and what

it brings with flower's
blowing in the wind.
Listen to the sounds all
around us the beauty of the
earth of what God has
created for all to enjoy
forever more.

POEMS FOR SPRING BY MONICA!

Monica, the Executive Director of SODA, would like to share with you some poems she has written in the past:

FLOWERS

Flowers are used every day
Flowers are nice to have
Flowers are good to give anyone that we love.
Flowers can be used at a party or a special dinner.

EASTER

We can have good ideas about what Easter is. Easter, I think, should be looked at as someone that has a red bird whose name is Sparrow.
There are many things to do on Easter Sunday morning such as going to church with friends.

EARTH DAY

Earth Day is a special time because it helps remind us that God created the earth for all of us. Earth Day comes around once a year, on April 22. The Day is for people to plant trees and flowers and to remind us to take care of our earth.
