Monica Shuman, Director of SODA and Chair of the SODA Board of Directors, has decided that this would be a good time to talk with present and former SODA members to get their feedback about SODA's past, present, and future.

Bryce Hoverter, Vice Chair of the Board, will be assisting Monica in contacting folks over the next couple of months. Contact will usually be by phone or text, and they may want permission to record conversations.

Below are some of the sample questions they will be asking, so you can be prepared for their contacts. Also, we would be glad to hear from others how they feel about SODA and our future:

What are some past highlights of what SODA has done that you appreciated?
What do you think about SODA's current mission and activities?
What suggestions do you have for SODA's future? Do you have any ideas of how we might raise additional funds/financial support?
What activities do you see yourself participating in to help SODA keep moving along?
What specific skills or interests do you have to offer SODA?
Would you be willing to serve on the board again?
Is there anyone you recommend as a new Board member?
Do you have any additional thoughts, feelings, or comments you can share?
If you would like to call or text any comments to Monica or Bryce, please contact them at 206-455-1678 (Monica) or 253-939-1635 (Bryce).
