updated october 2024

**Søren Drastrup** (b. 1989, Denmark) is a worldwide photographer and casting-director currently based in Copenhagen, Denmark

He graduated from Ostkreuzschule für Fotografie in Berlin, Germany in 2018.

For his final project, he created the series, "It's not you, it's me." showcasing images of friends, lovers and acquaintances photographed over a three year period in Berlin.

Søren's photographic work mixes the genres of portrait, fashion and documentary, and is often characterized by its authenticity, intimacy and fragility.

His photographic work has been exhibited internationally, with solo-exhibitions in Paris, Berlin and Copenhagen, as well as group exhibitions in Berlin, Hamburg, Moscow, Bratislava and Guangzhou.

Alongside his photographic career, he is working as a casting-director in the fashion- and advertising-industry.

He is drawn to non-traditional faces and strong character, aiming to showcase a beauty that is diverse and inclusive.
