

Dom Springaren s# 2018 – 19

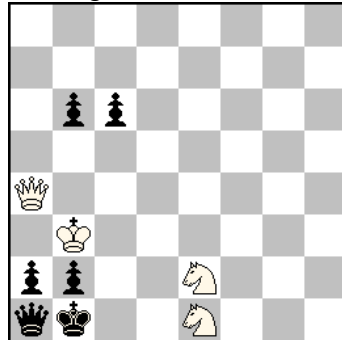

Not being an expert in Selfmates, I decided to give no comment on the works inserted in the Award. The tournament seemed to me of medium level, but I found some interesting problems. Here is the ranking I propose.

"Jeweils mit und ohne Rochade. Schöne Mattbilder, dreimal Mustermatt" (MD/UD)

Temat i jubileumsturneringen var problem med både Marina Damer (MD) = Sirener (går som D, slår som syrsa) och oslagbara Drakar (UD) = S+B. Hela domslutet i en vacker bok med titeln "Mit scharfer Klinge".
