Priorities

Priority 1: To tackle the gang problems on the Shrublands estate, regular weapon sweeps and patrols of the estate and surrounding area.

Priority 2: To implement additional wider strategies to further reduce the number of vehicle crime incidents occurring in Shirley South and to provide information and advice on vehicle security.

Priority 3: To provide Shirley South residential and business victims of burglary, reassurance visits, crime prevention and support.

A little Advice

Adding any form of CCTV can be a great asset to help towards preventing burglary, it can also be a great way to prevent it ever happening again by catching key images such as faces, clothing or vehicles . Also adding censor spot lights and keeping hedges maintained to prevent cover for potential suspects .
