Sproggruppen den

I dag har vi sunget "Vokalsangen", som skærper opmærksomheden på vokalerne i alfabetet:

a, e, i, o, u, y, æ, ø og å.

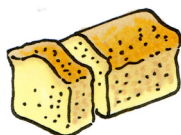

Bagefter arbejdede vi med konsonanterne l og s ved at lege popcornleg. På den måde får børnene trænet deres opmærksomhed på bogstavernes lyde i begyndelsen af et ord.

sand

kage

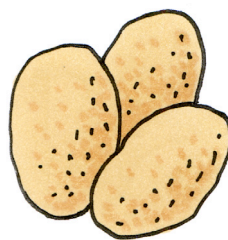

sandkage

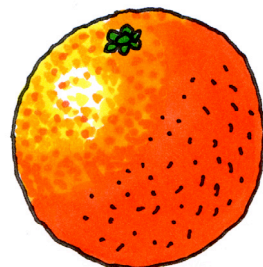

Efterfølgende arbejdede vi med sammensatte ord gennem bevægelsesleg. Sammensatte ord styrker sprogforståelsen og udvider ordforrådet.

Sammensatte ord er fx: sand + kage = sandkage.

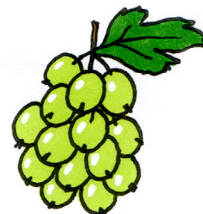

Til slut arbejde vi med over- og underbegreber indenfor emnet: frugt og grøntsager. Øvelsen med over- og underbegreber kategoriserer og giver barnet et sprogligt overblik.

Lektier hjemme: I skal tale om de to konsonantlyde s og l. Prøv, om I kan finde nogle ting hjemme, som begynder med s eller l (fx en skovl eller en legoklods).
