Sproggruppen den

I dag har vi arbejdet med sammensatte ord, hvor vi hængte halvdelen af ordene op på et sjippetov og fandt de ord, som passede sammen. Øvelsen styrker sprogforståelsen og udvider ordforrådet, idet to ord tilsammen danner et nyt ord.

Efterfølgende arbejdede vi med dagens remse, som gør sprogets rytme tydelig og giver eleven flere ord i ordforrådet.

Dagens remse:

TROLDMANDENS KLAMME PRUT

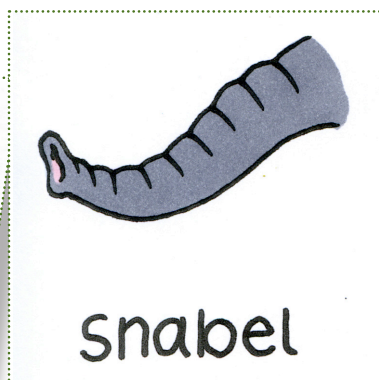

Troldmanden slog en prut,
som varede et minut.

Stanken var så klam,
at dragen den blev tam.

Til slut spillede vi vendespil
med rimord.

Mange hilsner

Lektier hjemme: I skal tale om dagens remse.

TROLDMANDENS KLAMME PRUT

Troldmanden slog en prut,
som varede et minut.

Stanken var så klam,
at dragen den blev tam.
