You are invited to attend Nordic Meeting 2022, which is hosted by the Danish Stabyhoun Club (DASK). The event will be a valuable mixture of networking and learning, and is for everyone who is interested in Stabyhoun breeding – owners of females and males alike.

We are really excited to share with you the following overview of presentation topics and workshops (subject to change):

- Health and mating applications; ZooEasy
- Reproduction, matings, insemination, infertility issues
- Health update; key and emerging problems
- Breeding in small populations
- Mentality assessments
- Puppies: Socialization, Environmental training, Mentality
- DNA testing
- Owning a stud dog: networking (e.g. mating contract, ready for mating or not)

In addition to the above, there will be an on-site meeting for the Breeding Advisors from all of the member clubs.

To book your place and, if required, a room at the venue, please email kasserer@stabyhoun.dk no later than 1. August.

The event opens at 8.30 on the Saturday and finishes at 15.00 on the Sunday.
