Volunteers needed for bar staff.

We really appreciate the members that currently volunteer to do bar shifts. But to avoid possible closures or the same people having to do more shifts we'd really love to expand the list, even if you can only do 1 shift a month any help would be greatly appreciated. It really is a great way to get to know more members and keep up to date with what's going on. **No experience is necessary as training will be provided.** Bar staff get 3 free drinks per shift to sweeten the deal. As you can see from the opening times below each shift is usually only 3-4 hours in length (split shifts at weekends Saturdays 4pm-7.30pm, 7.30-11pm and Sundays 2pm-4.30pm and 4.30 – 7pm). If you can help, please contact Malcolm.

Membership is now due.

Please pop down when convenient and payment can be taken by cash or card. Member cards being made available for collection in due course once payment is received. If you haven't already completed the GDPR form (just to keep our records up to date to confirm your approval that we can hold your name & address details) we'll just ask you for a quick signature at the same time.

Alternatively, if you do not wish to renew this year we'd be grateful if you can drop a quick e-mail to editor@stanfordsocialclub.com and your personal details will be removed from our records.

Food night

After a recent request for a food night at the Club we had a successful Fish & Chip Friday on 21st April – thanks for all that attended. Please keep messaging with more requests.

We would like to thank Andy Eccles and Bob Kent for their efforts this past weekend in tidying up the outside area, the umbrellas are now back on the outside tables, let's hope the weather is on our side ready for the Spring/Summer Season.
