We Pray For...

Let us bring our prayers to God, our strength and our salvation.

For Pope Francis and all who follow Christ, that we all may be joyful in our faith (*pause*). *Lord, hear us...*

For those who hungry in our world — that wealthy nations may share with them, and that we may do our part (*pause*). *Lord, hear us...*

For homeless people on our streets this season, especially those here in Harrogate — may the work of the Harrogate Homeless Project be supported, and may those who are homeless never be forgotten (*pause*). *Lord, hear us...*

For refugees and those who are far from their homelands — that they may find support and a safe place to call home (*pause*). *Lord, hear us...*

For families affected by COVID — that in this season of parties and gatherings, all may be kept safe (*pause*). *Lord, hear us...*

For the sick at home or in hospital, that they may receive the care that they need to regain health and wellbeing (*pause*). *Lord, hear us...*

For our loved ones and friends whose life in this world is over, that eternal salvation may be theirs (*pause*). *Lord, hear us...*

 Please remember to turn-off mobile phones before Mass begins...Thank you!

Updated Covid Guidance from the Government and the Bishops' Conference:

Since the Prime Minister has made his most recent announcements regarding the transmission of the new Omicron Covid variant, the following directives have been received from the Church authorities, with immediate effect.

Face Coverings: HM Government has made the wearing of face covering mandatory in Places of Worship from Friday 10th December 2021. However, there will be exemptions for those leading worship, public proclamation of scriptural readings or prayers, and those who are unable to wear face coverings and are exempt.

Singing: HM Government guidance states that "There is a reasonable excuse for someone to remove a face covering when it is reasonably necessary for them to sing, for example, if they are singing as part of a choir, or during a service, rehearsal or for a performance." The current Church guidance states that congregational singing should take place with face coverings in place and choirs and soloists may sing without such coverings. As the Church moves towards Christmas celebrations which often involves carol services and other singing events, it is strongly recommended that congregational singing within church buildings continues with the applied face coverings.
