Dear Friends,

The seeds that were planted have grown to fruition and the harvest has all but been brought in. Each day the light fades that little bit quicker, and in our part of the world we have left this year's summer behind. The first signs to me that Autumn is here are the swans and geese as they fly across the morning sky; subtle signs that the seasons are changing are all around us. As the year is

coming into its last quarter we have, and will continue to reap, the benefits of all the hard work put into providing the harvest. That work carried out from the early hours of the morning to the late hours of the evening, in rain, wind and sunshine. Whatever the day throws at them the farmers have had to adapt and change to do the daily work of sowing, growing and harvesting our food.

That word '**Change**'. We seem to use it nearly every day: change in governments, change in community services, change in movement of people, change in how we must do this or that and changes within ourselves. There are also the ongoing changes within church, and I know for many it is very daunting and at times sad. As we seem to be leaving some of the familiar behind.

But just as the seasons come and go, sometimes like a storm and sometimes delicately, so do changes in our lives. The day-to-day differences we may suddenly notice and those we have no say in, but somehow must adapt to.

But you know sometimes doing something different and starting afresh can feel very exciting, especially if it is a decision we are making ourselves or a decision that we can be part of. It can give us a new lease of life, to think outside what we ordinarily do. But I agree it can also be a little unnerving, not quite knowing how you may adjust or fit in. Often, it's a mixture of emotions. So how do we handle situations that bring about change?

The bible gives us the answer. In it we find that God promises to always be with his people, that his grace will sustain us and that his love is steadfast and certain. Words from a favourite song of mine, say "**that though the seasons change Your love remains**". Our situations may change but the Lord Jesus never does. Hebrews 13:8 puts it like this; "*Jesus Christ is the same yesterday and today and for ever*" and in the Old Testament we find the Lord says "**for surely, I know the plans I have for you. plans for your welfare and not for harm, to give you a future with hope.**" (Jeremiah 29:11).

As part of our vision for St Mark's we have been planting the seeds for the time ahead. Do you remember our Bible passage a few years ago taken from Matthew's gospel: "The harvest is plentiful, but the labourers are few; ³⁸ therefore pray earnestly to the Lord of the harvest to send out labourers into his harvest." The Lord has greatly answered that prayer for St Mark's, and now just like the farmers we are adapting to the variants we face for the flourishing of God's church in this community while being anchored in the Lord.

Part of our vision was to make St Mark's a good, welcoming, teaching and healing place for all who come. God has really blessed us in lots of ways. Just look at the events in the magazine: all of our outreach ministries led by you, Gods people, our new youth club and the new course we will beginning at the end of the month reflecting why Jesus Matters, so as we continue into this new season could I ask you to commit to pray, for Gods guidance, wisdom and vision for these new ministries.

But can we also pray for ourselves for God to lead us and give us assurance as we listen to the wisdom of Proverbs 3: 5&6. **"Trust in the LORD with all your heart. Never rely on what you think you know. ⁶ Remember the LORD in everything you do, and he will show you the right way."** As I have been told by those wiser than me on many occasions when I have tried to control things "Let go and Let God."

God bless you

Love Eileen

Will you join us in our prayer for St Marks Church

God of Mission who alone brings growth to your church
Send your Holy Spirit to give vision to our planning
Joy to our worship, wisdom to our actions
And Power to our witness
Help our churches to grow in numbers
and spiritual commitment to you and our local community
through Jesus Christ Our Lord

Amen

God loves to surprise us

Hi Folks!

It's not that surprising really, given who he is, but we often find God in the most unexpected places and in the most unexpected situations.

Like Nazareth, by all accounts not a place of repute. "Nazareth? You've got to be kidding!" remarks Nathaniel in the Message translation of John 1:46.

No doubt this disciple-in-waiting would have selected the magnificent temple in Jerusalem as prime candidate for a guaranteed encounter with the divine. But when Jesus eventually takes him there, he doesn't point out the splendid architecture or the marvellous music but a poor widow putting in a mere two very small copper coins.

And of course, more than anywhere else, Golgotha. Here we see in a blood-soaked man writing in pain, in the words of the apostle Paul, a curse on the land. (Galatians 3:13). And for those with eyes to see, God's overwhelming love for us, a love beyond measure.

Here, in the last place in this entire cosmos you would expect. No wonder Paul is forever amazed at "the extravagant dimensions of Christ's love. Reach out and experience the breadth! Test its length! Plumb the depths! Rise to the heights!" (Ephesians 3:20)

Mind you, if anyone experienced God in the most unexpected places, it was the apostle Paul: on the road to Damascus, in various prisons and in a sinking ship.

I've just been reading this morning Isabelle Hamley, my daughter's previous neighbour and now theological college principal. "Instead, Jesus teaches that the way to God is found through the cross first, in unexpected places and in unexpected ways.

She continues: "Just as with the birth narratives, Jesus' presence is often hidden in places we overlook, because we look for glory and palaces rather than humility in small towns and in crowded family rooms, as in Bethlehem."

In other words (and this is central to the Christian faith) we encounter God in places we never thought to look, if only we had eyes to see.

You may recall the scene in *Bruce Almighty* when the character played by Jim Carrey is begging God to give him a sign as he drives into the night. “Please, Lord, give me a signal.” And sign after sign appears. He even follows a van filled with STOP and WRONG WAY signs.

But he doesn’t see them for the simple reason is he doesn’t expect God to act in that direct way, on a non-descript road at night. Not at all religious.

<https://www.youtube.com/watch?v=gQKi3mlcQN4>

However, it is not just that we may encounter God, like Bruce, in the very last place we would have expected. The reality is that God, such is his love, is continuously wanting to touch us, to bless our lives, wherever we would find ourselves.

Elizabeth Barrett Browning is in awe: “Earth is crammed with heaven And every bush aflame with God But only those who see take off their shoes.”

Like Moses, we need to take off our shoes and feel the earth, God’s earth, beneath our feet. For every place is holy ground, even in “the far side of the wilderness.” (Exodus 3:1) For to encounter God, certainly for any disciple of Jesus, should be a frequent experience.

We need to pray that God’s Holy Spirit will help us recognise him in each encounter. And often, like the two disciples on the road to Emmaus, it is only in retrospect as we reflect on what happened. “Were not our hearts burning within us while he talked with us on the road and opened the Scriptures to us?” (Luke 24:32)

Strangely, this was my experience only yesterday as I went for a run along Crosby beach. Approaching the coastguard station at Hall Road, I recalled a promise God made to me over 50 years ago at that very place while on the same run!

I won’t go into detail but it was related to that specific location, a particular promise from God related to that actual viewpoint. And as is usually the case, at the time I couldn’t be 100% sure. Was I simply making this up as a form of wish-fulfilment?

Well, today I can now say that this was God speaking to me in that particular geographical location. No doubt you are intrigued, but I can now say from the perspective of at least five decades, that his promise proved true.

And I did meet with God at what we then called “Black Rocks” out-of-the-blue, while on a standard training run. Who would have thought? I certainly didn’t.

So folks, you need to ponder. Recall those experiences of God, bumping into him in the strangest of places. Maybe several years ago, maybe yesterday, what did you learn? What makes you think this was God? And more to the point, what did you do about it?

So stay alert. For sometimes life's seemingly insignificant moments really do matter when God chooses to appear. He loves to surprise us.

Youth Club

Limitless is no more!..... We need our own name!

We had our first youth club in the Parish Hall on Monday 16th for our year sixes and sevens. The weather was amazing, we messed around on the field at the back, we played pool and table tennis and chilled with the projector and screen.....for half an hour..... and then we had a booking clash 🤖

Who would have thought the third Monday could be on the 16th.

Not a problem for Rev Eileen : we decamped to church with the brief to create a new name and an advert for our club.

The best submission to win anything from the tuck shop FOC as judged by Steven Foster, our events manager.

Three teams have entered so watch this space!

Sponsor a Child Program - Update

Dear friends,

We do hope you're doing well and send our love from here as always.

June was marked by important moments and filled with activities at Reaviva. We started with preparations for one of our most traditional festivals, São João. Our store located at Patteo Shopping in Olinda remained operational, where we continued selling items produced by the girls, alongside our team. This initiative has been fundamental in encouraging leadership and generating income.

Th girls enjoyed their school break with various planned activities.

On July 15, we celebrated M.T.'s 15th birthday, giving her an unforgettable day filled with joy and celebration.

We ended the month by wrapping up the workshops that had been taking place. We concluded the month with another important achievement: F. left Reaviva to reunite with her family. Her departure brought a deep sense of a job well done.

Community Market

The community market is doing well. We continue to reach around 100 people through the families that come. We are seeking new supermarkets to establish partnerships with, so we pray that this effort bears fruit!

We ask that you continue to pray for the health of the families involved in this project, as many of them are facing illnesses, diseases, or cancer. We pray for

protection for them and for the many children who also participate.

We ask for prayers as tomorrow we will begin our first monthly workshop, with a nutritionist teaching us about healthy living and balanced eating. Next month, we hope to have a dentist teach us about the importance of oral hygiene. Practical lessons for life!

Foster Family

The past few months have been filled with emotion. The children who were in the process of being placed with an adoptive family did not proceed, but soon after, God provided a very special new family. The new adoptive family has shown great love and care for the sisters, and today they are already with their "forever family." In addition, two more foster families were formed and registered. We ask for prayers that God may grant us wisdom and understanding for the new challenges that will come with the arrival of new children.

In August, we welcomed a very special child, H.A.A. (6 years old). She had been in an institutional shelter, a municipal home, for almost a year. We ask for prayers for this little girl who has already faced so many difficult situations at such a young age, and also for the foster family and technical team, that they may have the wisdom to handle these challenging circumstances.

This month, we also held a training session with foster families.

Thank you as ever for all your support.

We pray that as you bless the work of Revive, you in turn will be blessed knowing that you are playing a part in the big picture of bringing God's love in action to children, women and families here in the city of Olinda.

"Be joyful always; pray continually; give thanks in all circumstances, for this is God's will for you in Christ Jesus." (1 Thessalonians 5:16-18)

Please do share the work of Revive with your friends and family. We rely on the kindness and generosity of people like you to do the work that we do, and your prayer and provision is most appreciated.

Every Blessing,

The Revive Team

~Down Our Way~

The Summer Evening Walks that have taken place over the last six weeks, led by Stephen Roberts, have provided an opportunity to bring Scarisbrick community and beyond together.

The walks have been around 3 miles in distance on Public Rights of Way, Lanes, and the Canal Towpath. Walkers have explored the special beauty of the Lancashire plain, and Scarisbrick as an historic place with its numerous grade II listed buildings, particularly in the conservation area of Pinfold.

A recent walk saw 30 people and numerous dogs out on Public Rights of Way and Canal towpaths in Halsall.

On the return leg back to the Saracens Head the moon lit up the route and provided atmospheric views of the canal and surrounding buildings. The whole route provided spectacular views across West Lancashire as the sun went down.

During the walk there was a discussion, and the consensus was that people want to continue to walk even though it generally means finishing in the dark at this time of year. The walks have always been on a Thursday evening since they started, but will be moving to a Sunday afternoon (one a month) once it gets too dark and the weather starts to become wet and windy. Keep an eye on the Facebook page for further information.

Everyone is welcome to join in. Stephen wants to say a huge thank you everyone who has come out and supported these short walks either by walking, or by giving permission to use their car parks.

Come along for a pint, a chat and a snack

We meet on the last Wednesday of the month

7pm – 9pm at Master McGraths.

(men and ladies welcome)

*Easy to remember: It is the **LAST WEDNESDAY** of the month.*

When we meet Jesus, whether we decide to follow him or not, it is the beginning of a journey.

Remember the story of the rich young man who wanted to follow Jesus but couldn't commit to what Jesus asked of him, we never find out what happened to him in the end, but that encounter with Jesus must have been a decisive moment in his journey.

Jesus Matters is a course designed to meet you wherever you are on your journey.

Does he matter to you yet?
Does he matter enough for you to follow him?
How much does he matter?

These are questions that you may consider hence the title '**Jesus Matters**'

It might be that you want to explore or cement your relationship with him through confirmation, baptism, or communion. This course will help you to prepare for these. Equally you may want an opportunity to discuss or ask the difficult questions of life in a safe non-judgemental environment or just explore your relationship with him quietly and prayerfully.

Jesus Matters is a friendly interactive course set over six weeks. Looking at: the three persons of the Trinity, ***Father, Son, and Holy Spirit***, exploring the difference Jesus makes, the role of the church, and what following Jesus really means to each one of us.

Beginning Wednesday 23rd of October and finishing just before Advent, it is also a great way to prepare for Christmas on those darker evenings. Each meeting will start at **7pm and finish promptly at 9pm**, transport can be arranged if necessary.

We have forty places available, and we have invitations with an RSVP on the back to be returned please confirming numbers. Why not grab a few and invite some friends, or email John on: jonforshaw@icloud.com.

Come and see, we are excited to hear from you

Harvest Festival

The next event will be The Harvest Supper, so why not put the date in your calendar? **Sunday 6th October is the Harvest Thanksgiving Service**, with the **Harvest Supper on 9th**. Please let us know if you'd like to come, as we have to order enough food for everyone,

We are also planning an Autumn event on November 16th (to be confirmed) where you will be able to buy Cards and gifts for Christmas.

Then we will have our Christmas Tree Festival from Sunday 1st December.

So perhaps you could start thinking about your Christmas Tree Display? If you need any information about this, please ask.

October 18 th	Scorton and Nicky Nook		Peter
November 15 th	Thurstaston		
December 20 th	Daresbury: Lewis Carroll walk	10km. Flat	Peter

What you can expect:

Walkers meet at 10am prompt at St Mark's Parish Hall.*

These walks will usually be led by either: Paul, Peter or Dawn and John.

Walks will be between **5 and 6 miles** but the difficulty depends on the terrain and the weather! Local wet weather in the days before the walk and tides for coastal walks can all have an impact. These walks are published walks and will not necessarily be "recce'd" by us beforehand.

You will need full gear: boots, socks, weatherproofs, hat and refreshment.

Journey is by private car so if any walker can drive and take passengers that helps.

If car park or toll charges are incurred the driver would appreciate the passengers chipping in!

The walk will usually finish at a coffee house or pub for fellowship.

For more information or to book a place contact either of us or email:

**We don't want to leave anyone behind so please let us know no later than the Wednesday before the walk so that we can finalise the arrangements*
