

## Information from Stranda AB regarding Corona, Covid -19

We would like to inform you about the Corona situation.

We are still in business as usual and have not yet planned for any reduction.

Material deliveries still work without major disruptions and we maintain a dialogue with our material suppliers to ensure that we have materials available.

We have taken a number of measures:

- Replaced towels with paper and hand sanitizer is available
- Reminds employees to wash their hands frequently with soap and water
- Avoid all types of visits unless it is absolutely necessary
- Encourages employees to stay at home if they show or feel any symptoms

We are follow the situation and we will send updates if something changes.

Don't hesitate to contact us if you have any questions.

Best Regards,
