FARM CULTURAL PARK

HD
FD

Favara is a small village of Arab origin just 10 minutes away from the Valley of Temples. In the old centre there are some ancient buildings such as the Chiaramonte Castle and the Rosario Church.

During the walk it is possible to observe the picturesque old topography of the village with its narrow streets and alleys, little courtyards etc.

The Farm Cultural Park has been created some years ago in one of the old districts, which has been pro-

perly restored and transformed. It is an exhibition centre devoted to contemporary architecture and art.
