TAORMINA & CASTELMOLA

Taormina is the best known tourist resort in Sicily. It is perched on a hilltop overlooking the sea about one hour drive from Messina. It is an ancient village with beautiful old houses in soft colours and narrow stone paved streets lined with shops, restaurants and cafés.

Go for a walk along the pedestrian main road, Corso Umberto, get a tasty icecream or a latte and take photos from the belvedere. Or choose the smaller sidestreets and immerse yourself in the unrivalled charm of this place. You can also go shopping and choose among the most important Italian and international fashion brands, antiquities, food specialties and local handicraft. The most important monument of Taormina is the Greek – Roman Theatre, an amazing open-air theatre with a breathtaking view on the coast and Etna, which is considered one of the most beautiful panoramas in the entire world. During summer, the theatre hosts the Taormina Film Fest, which is one of the most important international film festivals, and several other events such as pop music concerts, opera, theatre etc.

The tour continues to Castelmola, a small village built in the Middle Ages on the site of the ancient acropolis of Taormina. The centre is the picturesque little Piazzetta del Duomo, the most important sights are churches, the ruins of the Norman castle and some stretches of the ancient walls. Don't miss the opportunity to taste the famous "almond wine" served in one of the bars of the square.
