

# **WTE European Cadets Taekwondo Championships**

**Marina d'Or | Spain  
29 November – 2 December 2018**

Dear Taekwondo family,

I warmly welcome you at the European Cadet Championships 2018.

During the present event, the new generation of Taekwondo athletes will collect the foundation of competition experiences, aiming to become the next Champions and Olympic medalists of the sport.

The European Cadet Championships are fundamental for the young athletes helping them not only to get familiar with the sport event environment, but also to adjust and align with the sport procedures, overpassing the stress of a competition. It is a great opportunity to introduce the little taekwondo practitioners into a path that will get them challenged, excited and learn how to effectively turn effort and hard work into success.

Let us give these young athletes the greatest encouragement to excel themselves through taekwondo and excel the sport itself in the future.

Expressing my my appreciation, I would like to thank the Spanish Taekwondo Federation for organizing and carrying out the championships in proficiency, providing all the athletes with the high standards and facilities they deserve.

I cordially wish to all our little athletes the best of results and most importantly, to enjoy yourselves!
