4. In your e-mail you will find a message to confirm your e-mail address:

Dear customer,

You receive this email because you have placed a booking or registered your email address on our taxi booking platform.

Please confirm your email address by clicking this link to start using your profile effectively on our platform.

[Confirm your email address](#)

Kind regards,

TaxiTender customer support team

TaxiTender also trades as YAT, YATTAXI, Cheaptaxis and Driving Blue.

The confirm link leads you to your personal taxionline.international profile page. You are now on a secured server where you can add you company billing references.

5. Click on Add a billing profile.

The screenshot shows the user profile page of TaxiTender. At the top, there is a navigation bar with 'Book a ride', 'My account', and 'Logout'. Below the navigation bar, there is a sidebar with 'My Reservations', 'Billing profiles', 'Change email address', and 'Change password'. The main content area is titled 'Billing profiles' and contains a green notification box that says 'Thank you. Your email address has now been confirmed. You can now login for the first time!' and a red warning box that says 'You have no default billing profile. Add a billing profile or set an existing profile as primary to make sure your bookings are using correct data.' Below the notification boxes, there is a button labeled 'Add a billing profile' which is circled in orange.

Add you company details or just your personal details:

New billing profile

Company name

Contact person *

Phone number * Example: [UK +44] [1234567890]

Email address *

VAT number

Address Use this box to retrieve suggestions and prefill the fields below

Street *

Street number *

Postal code

City *
