

Anders Alderbrant

Anders has been a playground inspector since 2005.

As the project and training manager at FRG Lekplatsbesiktning AB he is lecturing about the maintenance and inspection of Playgrounds.

The Hags Playground equipment company relies on his expertise and competence to conduct their inspection courses.

The role of playground inspectors, how to perform a proper inspection of a playground and how to use the test probes is only a small part of the training content.

Risk assessment is also an integral part of his hands on trainings.

As an experienced inspector Anders is actively involved in standardisation through the Swedish institute for standards.

Anders is an active member of :

- ISO/TC 83 WG8 Playground equipment
- CEN/TC 136/SC 1 WG1 Surfacing
- CEN/TC 136/SC1 WG15 maintenance and operation
- CEN/TC 136/SC1 WG16 Fully enclosed playground equipment
- CEN/TC 136/SC1 WG26 Outdoor fitness equipment

Anders loves a good challenge! That's the reason for his passion as a triathlon athlete..
