

OUR PAY IT FORWARD SCHEME

The Chocolate Café Club is proud to launch its 'pay it forward' scheme at The Village Cafe - in the heart of the Goring Gap. It is a discreet way for those on low incomes to benefit from the generosity of philanthropic punters.

It works simply, customers can choose to buy a 'suspended hot drink' (or any non-alcoholic drink from our menu) for someone to claim at a later point.

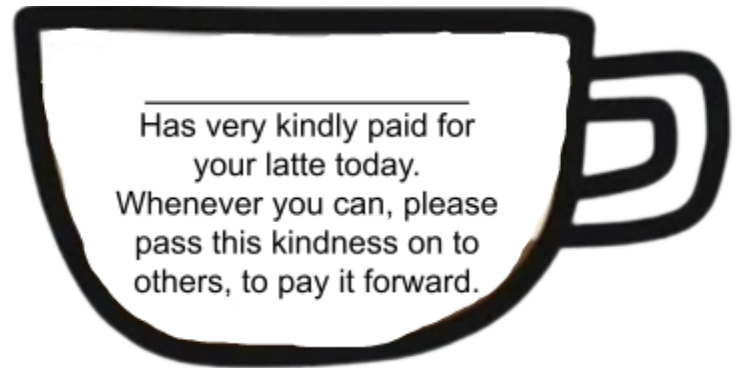

This isn't just for people on low incomes. We've all been in situations where we don't have cash, or access to cash. Maybe you lost/forgotten your purse or wallet, perhaps it's the day before payday, or maybe you are a student. None of this should exclude you from having a cuppa, and this scheme makes this possible.

Pay it forward t's and c's.

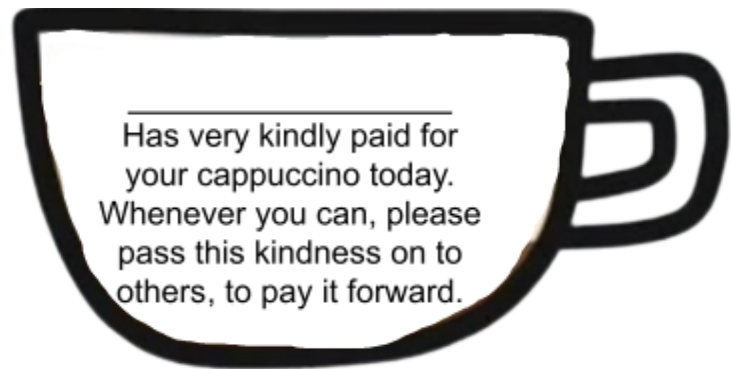

1. The offer of a free drink is dependent upon there being sufficient 'credits' on the pay it forward 'account'
2. During busy times, drinks may be offered as a take-away option.
3. Pay it forward customers are served at the discretion of café staff.
4. No cash alternative is offered in lieu of a pay-it-forward credit.
