## BEER & CIDER

We passionately believe in sourcing and procuring the very best in real craft beers, ales and ciders locally, nationally and from around the world. Many of our chosen suppliers produce their brew in small batches based on when their ingredients like fruit, wheat, barley, oats and hops are in season and fresh.

**As a result our products will constantly change and evolve and are therefore not listed on the menu. Please refer to our chalkboards or speak to your server who has knowledge of all our beverages and will be only too glad to assist you.**

Drink as much as you can (responsibly of course) as when it's gone its gone!
