

## OPPORTUNITY CARD

### Knowing the Driver

Your old teacher has several friends who now work for smugglers in Istanbul organising boat crossings to Greece. If you want, you may pay them a visit.

*Go to Taksim on a day when a journey is offered there. From the next day and on following days you are prioritized over other players and get a 5 000 TL discount when a journey is offered.*

## OPPORTUNITY CARD

### Family

Your brother's wife has family in Istanbul. They are well connected and know what goes on in the city. If you want, you may pay them a visit to see if they can help you find your way around.

*Spend two consecutive days in Kadıköy. You may then look at one extra event card every turn.*

## OPPORTUNITY CARD

### Money Transfer

Some people from back home have collected money to help you on your journey. If you want, you may arrange a money transfer to a bank in Istanbul.

*Go to Taksim to arrange the transfer. Then go back to Taksim on one of the following three days to collect 10 000 TL.*

## OPPORTUNITY CARD

### Friends In Uniform

Your mother used to do business with people from Istanbul. Among them is an official at the police department. If you want, you may seek him out and introduce yourself to mitigate future problems with the police.

*Go to Fatih and then go to Taksim and pay 2 000 TL. Then you may subtract 3 000 TL from every fine you pay to the police.*

## OPPORTUNITY CARD

### Work Permit

Having worked at the Department of Industry in your home country you are familiar with the bureaucracy involved with employment. If you want, you may arrange the necessary papers to get a work permit in Istanbul.

*Go to Fatih and then go to Taksim. You may now ignore police raids in any neighbourhood where a work possibility is*
