

## **Morning Prayer, Spiritual Warfare**

Father, Lord Jesus Christ.

I want to thank you for this new day.

"This is the day which the LORD hath made; we will rejoice and be glad in it."

Father i ask that you will guide me, teach me, Lead me, help me to do your will & walk in the purpose & plan you have for my life. To listen of the instructions of your Holy Spirit.

Father i ask you to protect me from al the works of the enemy. The whole kingdom of Darkness.

I asked you to put a holy ghost wall of fire around me "Zechariah 2:5"

& Protect me with your precious & powerfull Blood against al the schemes & attacks of the enemy against my life.

Father i asked that my body will be the temple of your Holy spirit.

& father i asked you in the name of the lord Jesus Christ that all the spirits that are try to come in or are in my body, mind, or soul, or house, will leave by the power of the Holy Spirit & in the Lord jesus Christ name.

& that my body, mind, soul, and this house will be only for you Lord Jesus Christ & your Holy Spirit.

"Abba Father, I come before Your throne in the name of the Master Yahushua the Messiah and I thank You first of all for the armor that You provide. Right now, I put on the full panoply of the Your Armor and ask you to especially equip me and inspire me with Your Ruach (Holy Spirit) to do combat in the heavenly realms. Show me how to effectively wield the Shield of Faith and the Sword of the Spirit that is Your WORD against all forces of evil in my life, the life of my family and loved ones and the life of our community The whole body of christ, The Trunews Ministry & everybody working their & al the Innocent, Against the whole human race.

"First of all, Abba, I ask You in Yahushua's name that You cleanse the land in and around my home and my community of any blood consecrations or rituals that may have recently taken place. I declare that all the earth is Yours (Ps. 24:1 - The earth is the Lord's, and the fulness thereof; the world, and they that dwell therein.) and I proclaim the Name that is above every other name, Yahushua the Messiah over these lands. I bring the full power of the Cross, the Resurrection and the Ascension & the Dominion of Yahushua against any dark rituals, spells, proclamations or dedications

that may have taken place and may be taking place right now. I declare that their power is shattered, destroyed and erased by the infinite power of the Blood of the Lamb. This land belongs to You, Abba; and I ask that You destroy all the works of the enemy which have been done over this region right now and forever.

"I also pray for the innocent in this region, especially my children (or grandchildren), that they would be protected by Your celestial powers from any defilement during this dark season. I know that the times and the seasons are in Your hands (Gen. 1:14) but I ask that You especially protect these little ones from the seductions of evil during this time. Let the culture or the media not harass, terrify nor corrupt them but use this time to draw our children ever closer to you and the power of Your redemptive love.

Cover our precious children under the mantle of Your Tallit of Pure Light and may Your glory go before them and Your love follow them everywhere they go. Let them feel Your loving and powerful arms around them and be able to walk in Your shalom. I also wish to lift up all the children & people in this community who have no one to pray for them, as I know there are many. Please minister to them as well and draw people into their lives that can share salvation and Your abiding love with them. Keep them safe and bring divine appointments so that they can be saved.

"I further ask, Abba, that any workers of iniquity – any witches, Satanists, Illuminists or cultural spiritists of whatever sort – be confronted with the Power and the Glory of the Risen Yahushua as they attempt to work their rituals. I beseech You, my Sovereign Master, that these unsaved people would either repent before the glory of Messiah and come to salvation as a result of this encounter or that they would flee in abject terror before the power of Your Son, Who is Sovereign Master of all! In accord with Your WORD, I pray "Let their way be dark and slippery: and let the angel of the Lord persecute them." – Ps.35:6.

"I finally pray that the dark principalities and powers of this region and this season would be crushed under the weight of the Glory of Yahushua and the fervent prayers of His disciples. I pray, Abba, that You would sever them from satan and any power above them. I say to them "YAHUWAH rebuke thee!" (Zech. 3:6, Jude 1:9) You have no power here! Your day is done! Flee before the face of Him Who will come to judge the living and the dead and the world by fire. You stand condemned this day and stripped of your power by the Lion of the Tribe of Judah. Abba, shatter the powers of darkness, bring division & civil war in the enemy's camp and save Your people and bless Your inheritance, in the mighty name of Yahushua the Messiah." Omain.
