

PRAYER FOR TRAVELERS

Father,

In the Name of Jesus, I thank you that you have given me dominion. I exercise that dominion now over the fowl of the air, and over everything that creeps on the earth, and I command them to stay out of my roadway.

I speak supernatural, mechanical, and physical preservation over this automobile. I speak supernatural gas mileage and supernatural travel time. Lord, if possible, I ask that you would translate me to my destination (I'm praying this, because I believe it is possible!)

I blind every rock and loose article on the road – to the road, and every spirit that causes accidents, in Jesus' Name.

I bind and break the power of curses placed on the roadways and bind every blood-thirsty spirit that hovers over the highways. And I bind all spirits of harassment from city policemen and Highway Patrolmen, and I command you to **BE OCCUPIED** when I pass through your city! In the Name of Jesus. (This is not so you can speed, but Honestly, I was continually being pulled over when I wasn't doing anything wrong. A friend told me it was a spirit of harassment...but, **NO LONGER!**)

While I am gone, I appoint mighty angels to stand guard around my property, shoulder-to-shoulder that no evil penetrate, and I thank you for a safe trip... to and from. Amen and **AMEN!**
