RASSHI GOES BACK TO SCHOOL!

Thank you to St. Catherine's primary for having one our dentists Raashi in as part of their 'Careers Day' to talk about what it's like to be a dentist. Also, to discuss the best tooth brushing technique. Raashi had a great time showing you all.

LAURA TAKES HOME GOLD!

Our dentist Dr. Laura Grant had a busy day at the Glasgow Post Graduate Dental Education Centre presenting her case study to a group of dentists. We are delighted to tell you that Laura's case study was voted best presentation of the day. Well done Laura!

TIWARI WATSON DENTAL CARE GOES TO LONDON!

Our dentists Joe and Mr Chan spent the day in London visiting *Vatech Dental Manufacturing Ltd* for some advanced training on CT scans. They had a great time learning new skills and are looking forward to using them on their return.

BEFORE & AFTER OF THE MONTH!

This is a before and after placement of a composite filling (white). Both amalgam (silver) and composite are available at this practice. Prices vary on size, book in today and ask your dentist about the advantages and disadvantages of each! Call us on 0141 557 3488.

DID YOU KNOW?..

We offer IV Sedation for our anxious patients to help you get the treatment you need! Award winning practice for 'Best Treatment of Nervous Patients 2016'.

TOP TIP: DON'T RINSE YOUR MOUTH OUT WITH WATER AFTER BRUSHING YOUR TEETH!!
