Planning

There were no decisions from Maldon District Council.

New applications:

Redcot D'Arcy Road – single storey side extension. No comment.

25 D'Arcy Road – single storey rear extension, new porch and alterations to fenestration. Objection on the grounds that the proposed extension could affect the neighbours' amenities due to its bulk and scale, and the design is considered to be poor.

Decision by the Planning Inspectorate: Lower and Middle Farm Blind Lane – proposed dwelling. Appeal dismissed.

Highways

The Council considered its response to the 20's Plenty Scheme to ask Essex County Council to adopt 20mph as its default speed limit for urban and village roads in the county. Councillors agreed to give the scheme their support but felt that it would be more appropriate in certain areas rather than as a blanket scheme for all urban and village roads. Trucam patrols. Over a period of three patrols in December a total of 21 captures were made. A large pothole outside 79 Barnhall Road will be reported to Highways.

Policies

The Council reviewed and approved new Risk Assessment and Complaints Procedure policies, and these will be published on the website – tkpc.org.uk

The next meeting of the Parish Council will take place on Monday 20<sup>th</sup> February 2023 at 7.30 pm. The agenda for the meeting can be found on the Parish Council website (tkpc.org.uk) and the notice board at the entrance to the Village Hall driveway.
