

# Modular Biblical Training Academy

Today our understanding of humanity has drifted far from what God describes in His word.

We also have drifted far from the human relationships which God designed from the beginning.

- How can we rediscover the humanity that God created humanity to be.
- How do we know who we are as His children.
- How can we rediscover the foundations of our faith and rediscover foundations of human relationships.
- How can we rediscover our Father, our Creator.

## Sitting Rooms

The Academy offers Biblical training in modules that are organized as "Sitting Rooms". A unique place of learning for all ages. In a Sitting Room you go through pictures and text taking time to "sit still within truth". In this way, you will develop a Biblical vocabulary and build fundamental concepts needed for learning Torah.

In the Bible it was long ago stated: "Do not let this Book of the Torah depart from your mouth; meditate on it day and night, so that you may be careful to do everything written in it. Then you will be prosperous and successful. (Josh 1:8).

Neuro-science confirms this way of developing mindsets or “neural networks”. Allowing yourselves to be submerged in the Truth creates and improves neural networks in the brain that line up with that Truth.

These ancient and now rediscovered learning methods are the basis for the Sitting Rooms. With attention and repeatedly sitting still within Timeless Torah Truths, you will discover transformational thinking and the subsequent quality of life changes in your daily living.

## **Academy**

The Academy is an on-line learning environment that seeks to promote and maintain accuracy in handling Torah text. The design of the academy aims at its students developing a Biblical vocabulary. The offered Sitting Rooms are based on the work of Ariel and D'vorah Berkowitz and their son Yo'el Berkowitz. The Academy recently opened with two foundational Sitting Rooms and a number to be added in the coming half year. More Sitting Rooms added each year to build upon the foundations created in each previous year. It is advised to spend significant time with the first two Rooms. In this way you will lay a firm foundation and allow yourself to internalize fundamental concepts for learning Torah.

## **Enrollment**

You can enroll in the Academy at <https://www.torahtruths.com>. An annual tuition of \$100 per student/household will give you full access to all available sitting rooms.

## **Support**

We keep the tuition low so that students from any country will be able to enroll. Consider a special gift of tuition to a family member, friend or community member. Please go to the site of the Academy at <https://torahtruths.com/donate/>.

We look forward to welcoming you on your inspiring journey of re-discovering Timeless Torah Truths.
