

## TriTiCon privacy policy consent form for storage of personal data

### 1. Background

TriTiCon is a consultancy company, providing advisory and consultancy services, and the company do not as part of normal business processes collect, manage or store any data, hereunder no personal data.

To support daily operations, limited personal information about employees are maintained by TriTiCon. For employees Human Resource information (including but not limited to contact details, salary, bank and tax information, CV and emergency contact details) are stored.

TriTiCon aims to keep this information to a minimum, and it is deleted when the employment ends.

### 2. Consent given and signature

I hereby give my consent to TriTiCon storing my Human resources information as described in section 1 above.
