Halloween is over. What to do with those leftover pumpkins? Well, you could carve a Jack 'o Lantern – with a 22. Or throw it with a catapult. Or bake it in the Dutch Oven. We will do all this and more at the Pumpkin Smash campout.

December: Model Rocket Shoot

Build a new rocket and come launch it with the San Diego rocketry club. We'll also help Webelos build rockets at a meeting, and introduce them to 682 at the rocket launch
