

Access to Fair Assessment Policy

Aims of the Policy

The aim of this policy is to ensure that Turtle CYP has the systems and procedures in place to allow the provision of fair assessment, including reasonable adjustments for those with disabilities or learning needs. These should reflect the needs of individual students and must also ensure that assessment continues to enable a valid, reliable and consistent judgement to be made about achievement of all learning outcomes against the stated assessment criteria.

The policy also provides for special consideration to be given to students that experience temporary illness, injury or indisposition at the time of an assessment. This should allow them to demonstrate the achievement they are capable of for the units that are subject to special consideration.

Turtle CYP provides Level 2 Award in Youth Work Principles and Level 3 Diploma in Youth Work Practice which are accredited by NOCN. Turtle CYP has a duty to provide equality of opportunity as per Equality Act 2010 and fair access to assessment whilst maintaining these standards.

It should be noted that while this policy covers arrangements on an individual basis, sometimes making adjustments to assessments for all students, provided that they meet the learning outcomes and criteria is the most inclusive way to ensure equality of opportunity.

Scope of the policy:

This policy applies to the following:

VERSION CONTROL MATRIX			
Date:	Version:	Effect:	Due for Review
November 2022	V1	November 2022	November 2025

- Turtle CYP staff
- Assessors
- Internal Verifiers
- External verifiers
- Qualification regulators
- Awarding body – NOCN

What learners can expect from us:

Make information and guidance on assessment clear, accurate and accessible to all staff, candidates and external examiners, thereby minimising the potential for inconsistency of marking practice or perceived lack of fairness.

Only assess against taught material which relates to the learning and unit outcomes of the course. It is important that each assessment enables students to demonstrate they meet the intended learning outcomes.

Provide every candidate with written feedback on individual assessments.

We will ensure that assessment is operated fairly within programmes and for individual learners. This is through vigorous internal verification and external moderation as outlined by the awarding bodies.

In line with the guidance laid out within the awarding bodies “Reasonable Adjustments and Special Considerations Policy”, Turtle CYP will make reasonable adjustments for any candidate who has any difficulty in accessing the course or the course materials.

To be fully inducted onto a course and given information that can be shared with employers, parents and carers if required.

Learning outcomes, performance criteria and other significant elements of learning and assessment to be made clear at the outset of the course and when assignments are set.

To be given appropriate assessment opportunities during the course with feedback provided on the quality of the work.

Role of the assessors:

VERSION CONTROL MATRIX			
Date:	Version:	Effect:	Due for Review
November 2022	V1	November 2022	November 2025

Tutors and assessors must consider the follow points when determining suitable access arrangements:

- What arrangements are suitable for the qualification?
- The Learners normal way of working (eg support normally given in lessons or the workplace)
- The details of how specific access arrangements would work in an assessment
- Whether evidence or an application to the Awarding Organisation is required
- Any assistance from the Awarding Organisation that may be required to put the arrangements in place.

For our vocational qualifications learners must achieve the required number of unit credits to gain the full qualification. They must meet all the learning outcomes and assessment criteria. It may be possible to achieve a certificate of unit credit where the learner is not able to achieve the full qualification.
