# Find success with vocational training!

**Help your child prepare for the world of work.**

## We give you specialised background knowledge covering:

- vocational training
- (a wide range of) careers and career opportunities
- important points of contact
- how to write applications

## Become part of our "mobile team"

- Exchange ideas with other parents in a relaxed environment
- Share your knowledge with other parents
- Take part in events about education and training

## Our seminars:

consist of 3 modules lasting 90 minutes each

certificate

and - we come to you!

are free of charge and available in a choice of languages (upon request)

## Interested?
