1. Isn't she lovely

Stevie wonder

Isn't she lovely
Isn't she wonderful
Isn't she precious
Less than one minute old

I never thought through love we'd be
Making one as lovely as she
But isn't she lovely made from love

Isn't she pretty
Truly the angel's best
Boy, I'm so happy
We have been heaven blessed

I can't believe what God has done
Through us he's given life to one
But isn't she lovely made from love

Isn't she lovely
Life and love are the same
Life is Aisha
The meaning of her name

Londie, it could have not been done
Without you who conceived the one
That's so very lovely made from love

2. Stand by me

Ben E. King

When the night has come
And the land is dark
And the moon is the only light we'll see
No I won't be afraid, no I won't be afraid
Just as long as you stand, stand by me

So darlin', darlin', stand by me, oh stand by me
Oh stand by me, stand by me

If the sky that we look upon
Should tumble and fall
Or the mountains should crumble to the sea
I won't cry, I won't cry, no I won't shed a tear
Just as long as you stand, stand by me

And darlin', darlin', stand by me, oh stand by me
Oh stand now, stand by me, stand by me

And darlin', darlin', stand by me, oh stand by me
Oh, stand now by me, stand by me, stand by me

Whenever you're in trouble won't you stand by me
Oh stand by me, won't you stand by

3. Uptown girl

Billy Joel

Uptown girl

She's been living in her uptown world
I bet she's never had a backstreet guy
I bet her mama never told her why

I'm gonna try for an uptown girl
She's been living in her white bread world
As long as anyone with hot blood can
And now she's looking for a downtown man
That's what I am

And when she knows
What she wants from her time
And when she wakes up
And makes up her mind

She'll see I'm not so tough
Just because
I'm in love with an uptown girl
You know I've seen her in her uptown world
She's getting tired of her high class toys
And all her presents from her uptown boys
She's got a choice

Uptown girl
You know I can't afford to buy her pearls
But maybe someday when my ship comes in
She'll understand what kind of guy I've been
And then I'll win

And when she's walking
She's looking so fine
And when she's talking
She'll say that she's mine

She'll say I'm not so tough
Just because
I'm in love
With an uptown girl
She's been living in her white bread world
As long as anyone with hot blood can
And now she's looking for a downtown man
That's what I am

Uptown girl
She's my uptown girl
You know I'm in love
With an uptown girl
My uptown girl
You know I'm in love
With an uptown girl
My uptown girl
You know I'm in love
With an uptown girl
My uptown girl
You know I'm in love
With an uptown girl
My uptown girl
You know I'm in love
With an uptown girl

4. Blame it on the boogie

The Jackson 5

My baby's always dancin'
And it wouldn't be a bad thing
But I don't get no lovin'
And that's no lie

We spent the night in Frisco
At every kind of disco
From that night I kissed our love goodbye

Don't blame it on the sunshine
Don't blame it on the moonlight
Don't blame it on good times
Blame it on the boogie → **refrein 2 keer zingen**

That nasty boogie bugs me
But somehow it has drugged me
Spellbound rhythm gets me on my feet

I've changed my life completely
I've seen the lightening leave me
My baby just can't take her eyes off me

Don't blame it on the sunshine
Don't blame it on the moonlight
Don't blame it on good times
Blame it on the boogie → **refrein 2 keer zingen**

I just can't
I just can't
I just can't control my feet

I just can't
I just can't
I just can't control my feet

Don't blame it on the sunshine
Don't blame it on the moonlight

Don't blame it on good times
Blame it on the boogie → **refrein 2 keer zingen**

This magic music grooves me
That dirty rhythm moves me
The devil's gotten to me through this dance

I'm full of funky fever
A fire burns inside me
Boogie's got me in a super trance

Don't blame it on the sunshine
Don't blame it on the moonlight
Don't blame it on good times
Blame it on the boogie → **refrein 2 keer zingen**

Sunshine
Moonlight
Good times
Boogie

Sunshine
Moonlight
Good times
Boogie

Don't you blame it
You just got to
You just want to
Yeah
Blame it on yourself
Ain't nobody's fault but yours and that boogie
Dancin' all night long

Yours and that boogie
Ain't nobody's fault but yours
Dancin' all night long

6. Mamma Mia

ABBA

I been cheated by you since you know when
So I made up my mind, it must come to an end
Look at me now, will I ever learn?
I don't know how but I suddenly lose control
There's a fire within my soul
Just one look and I can hear a bell ring
One more look and I forget everything

Mamma mia, here I go again
My my, how can I resist you?
Mamma mia, does it show again
My my, just how much I've missed you?

Yes, I've been brokenhearted
Blue since the day we parted
Why, why did I ever let you go?
Mamma mia, now I really know
My my, I could never let you go

I've been angry and sad about things that you do
I can't count all the times that I've told you "we're through"
And when you go, when you slam the door
I think you know that you won't be away too long
You know that I'm not that strong
Just one look and I can hear a bell ring
One more look and I forget everything

Mamma mia, here I go again
My my, how can I resist you?
Mamma mia, does it show again
My my, just how much I've missed you?

Yes, I've been brokenhearted
Blue since the day we parted

Why, why did I ever let you go?
Mamma mia, even if I say
"Bye bye, leave me now or never"
Mamma mia, it's a game we play
"Bye bye" doesn't mean forever

Mamma mia, here I go again
My my, how can I resist you?
Mamma mia, does it show again
My my, just how much I've missed you?

Yes, I've been brokenhearted
Blue since the day we parted
Why, why did I ever let you go?
Mamma mia, now I really know
My my, I could never let you go

7. Karma Chameleon

Culture Club

Dessert loving in your eyes all the way
If I listen to your lies, would you say
I'm a man without conviction
I'm a man who doesn't know
How to sell a contradiction
You come and go, you come and go

Karma, karma, karma, karma, karma chameleon
You come and go, you come and go
Loving would be easy if your colors were like my dreams
Red, gold, and green, red, gold, and green

Didn't you hear your wicked words every day
And you used to be so sweet I heard you say
That my love was an addiction
When we cling, our love is strong
When you go, you're gone forever
You string along, you string along

Karma, karma, karma, karma, karma chameleon
You come and go, you come and go
Loving would be easy if your colors were like my dreams
Red, gold, and green, red, gold, and green

Every day is like survival
You're my lover, not my rival
Every day is like survival
You're my lover, not my rival

I'm a man without conviction
I'm a man who doesn't know
How to sell a contradiction
You come and go, you come and go

Karma, karma, karma, karma, karma chameleon
You come and go, you come and go
Loving would be easy if your colors were like my dreams
Red, gold, and green, red, gold, and green

Karma, karma, karma, karma, karma chameleon
You come and go, you come and go
Loving would be easy if your colors were like my dreams
Red, gold, and green, red, gold, and green

Karma, karma, karma, karma, karma chameleon
You come and go, you come and go
Loving would be easy if your colors were like my dreams
Red, gold, and green, red, gold, and green

Karma, karma, karma, karma, karma chameleon
You come and go, you come and go

8. Jolene

Dolly Parton

Jolene, Jolene, Jolene, Jolene
I'm begging of you please don't take my man
Jolene, Jolene, Jolene, Jolene
Please don't take him just because you can

Your beauty is beyond compare
With flaming locks of auburn hair
With ivory skin and eyes of emerald green
Your smile is like a breath of spring
Your voice is soft like summer rain
And I cannot compete with you
Jolene

He talks about you in his sleep
And there's nothing I can do to keep
From crying when he calls your name
Jolene

And I can easily understand
How you could easily take my man
But you don't know what he means to me
Jolene

Jolene, Jolene, Jolene, Jolene
I'm begging of you please don't take my man
Jolene, Jolene, Jolene, Jolene
Please don't take him just because you can

You could have your choice of men
But I could never love again
He's the only one for me
Jolene

I had to have this talk with you
My happiness depends on you
And whatever you decide to do
Jolene

Jolene, Jolene, Jolene, Jolene
I'm begging of you please don't take my man
Jolene, Jolene, Jolene, Jolene
Please don't take him even though you can
Jolene, Jolene

9. Every Breath You Take

The Police

Every breath you take
Every move you make
Every bond you break
Every step you take
I'll be watching you

Every single day
Every word you say
Every game you play
Every night you stay
I'll be watching you

Oh can't you see
You belong to me
My poor heart aches
With every step you take

Every move you make
Every vow you break
Every smile you fake
Every claim you stake
I'll be watching you

Since you've gone I been lost without a trace
I dream at night I can only see your face
I look around but it's you I can't replace
I feel so cold and I long for your embrace
I keep crying baby, baby, please

Oh can't you see
You belong to me
My poor heart aches
With every step you take

Every move you make
Every vow you break
Every smile you fake
Every claim you stake
I'll be watching you
Every move you make
Every step you take
I'll be watching you

I'll be watching you
(Every breath you take, every move you make, every bond you
break, every step you take)

I'll be watching you
(Every single day, every word you say, every game you play,
every night you stay)

I'll be watching you
(Every move you make, every vow you break, every smile you
fake, every claim you stake)

I'll be watching you
(Every single day, every word you say, every game you play,
every night you stay)

I'll be watching you
(Every breath you take, every move you make, every bond you
break, every step you take)

I'll be watching you
(Every single day, every word you say, every game you play,
every night you stay)

I'll be watching you

11. Bohemian Rhapsody

Is this the real life? Is this just fantasy?
Caught in a landslide
No escape from reality
Open your eyes
Look up to the skies and see
I'm just a poor boy, I need no sympathy
Because I'm easy come, easy go
A little high, little low
Anyway the wind blows, doesn't really matter to me, to me
Mama, just killed a man
Put a gun against his head
Pulled my trigger, now he's dead
Mama, life had just begun
But now I've gone and thrown it all away
Mama, ooh
Didn't mean to make you cry
If I'm not back again this time tomorrow
Carry on, carry on, as if nothing really matters
Too late, my time has come
Sends shivers down my spine
Body's aching all the time
Goodbye everybody I've got to go
Gotta leave you all behind and face the truth
Mama, ooh (anyway the wind blows)
I don't want to die
I sometimes wish I'd never been born at all
I see a little silhouetto of a man
Scaramouch, scaramouch will you do the fandango
Thunderbolt and lightning very very frightening me
Gallileo, Gallileo
Gallileo, Gallileo
Gallileo Figaro, magnifico
I'm just a poor boy and nobody loves me
He's just a poor boy from a poor family

Spare him his life from this monstrosity
Easy come easy go, will you let me go
Bismillah! No we will not let you go, let him go
Bismillah! We will not let you go, let him go
Bismillah! We will not let you go, let me go
Will not let you go, let me go (never)
Never, never, never, never, never let me go
No, no, no, no, no, no, no
Oh mama mia, mama mia, mama mia let me go
Beelzebub has a devil put aside for me
For me
For me
So you think you can stop me and spit in my eye
So you think you can love me and leave me to die
Oh, baby, can't do this to me, baby
Just gotta get out, just gotta get right outta here
Ooh yeah, ooh yeah
Nothing really matters
Anyone can see
Nothing really matters nothing really matters to me
Anyway the wind blows

12. Paradise by the Dashboard Light

Meat Loaf

Well I remember every little thing
As if it happened only yesterday
Parking by the lake and there was not another car in sight
And I never had a girl
Looking any better than you did
And all the kids at school
They were wishing they were me that night
And now our bodies are oh so close and tight
It never felt so good, it never felt so right
And we're glowing like the metal on the edge of a knife
Glowing like the metal on the edge of a knife
C'mon hold on tight
Oh c'mon hold on tight
Though it's cold and lonely in the deep dark night
I can see paradise by the dashboard light

Ain't no doubt about it we were doubly blessed
'Cause we were barely seventeen and we were barely dressed
Ain't no doubt about it
Baby got to go and shout it
Ain't no doubt about it
We were doubly blessed

'Cause we were barely seventeen and we were barely dressed
Baby don't you hear my heart
You got it drowning out the radio
I've been waiting so long for you to come along and have some
fun
Well I gotta let you know
No you're never gonna regret it
So open up your eyes I got a big surprise

It'll feel all right
Well I want to make your motor run
And now our bodies are oh so close and tight
It never felt so good, it never felt so right
And we're glowing like the metal on the edge of a knife
Glowing like the metal on the edge of a knife
C'mon hold on tight
Oh c'mon hold on tight
Though it's cold and lonely in the deep dark night
I can see paradise by the dashboard light
Though it's cold and lonely in the deep dark night
(Deep dark night) paradise by the dashboard light
You got to do what you can
And let mother nature do the rest
Ain't no doubt about it
We were doubly blessed
'Cause we were barely seventeen and we were barely dressed

We're gonna go all the way tonight
We're gonna go all the way and tonight's the night

We're gonna go all the way tonight
We're gonna go all the way and tonight's the night

We're gonna go all the way tonight
We're gonna go all the way and tonight's the night
We're gonna go all the way tonight
We're gonna go all the way and tonight's the night

Okay, here we go, we got a real pressure cooker going here
Two down, nobody on, no score, bottom of the ninth
There's the windup, and there it is
A line shot up the middle, look at him go
This boy can really fly
He's rounding first and really turning it on now

He's not letting up at all
He's gonna try for second, the ball is bobbled out in center
And here comes the throw, and what a throw
He's gonna slide in head first
Here he comes, he's out
No, wait, safe-safe at second base
This kid really makes things happen out there
Batter steps up to the plate, here's the pitch-he's going
And what a jump he's got, he's trying for third
Here's the throw, it's in the dirt-safe at third
Holy cow, stolen base, he's taking a pretty big lead out there
Almost daring him to try and pick him off
The pitcher glances over, winds up, and it's bunted
Bunted down the third base line, the suicide squeeze is on
Here he comes, squeeze play, it's gonna be close, here's the
throw, here's the play at the
Holy cow, I think he's gonna make it

Stop right there
I gotta know right now
Before we go any further
Do you love me?
Will you love me forever?
Do you need me?
Will you never leave me?
Will you make me so happy for the rest of my life?
Will you take me away and will you make me your wife?
Do you love me?
Will you love me forever?
Do you need me?
Will you never leave me?
Will you make me so happy for the rest of my life?
Will you take me away and will you make me your wife?
I gotta know right now

Before we go any further
Do you love me?
Will you love me forever?

Let me sleep on it
Baby, baby let me sleep on it
Let me sleep on it
And I'll give you an answer in the morning
Let me sleep on it
Baby, baby let me sleep on it
Let me sleep on it
And I'll give you an answer in the morning
Let me sleep on it
Baby, baby let me sleep on it
Let me sleep on it
I'll give you an answer in the morning

I gotta know right now
Do you love me?
Will you love me forever?
Do you need me?
Will you never leave me?
Will you make me so happy for the rest of my life?
Will you take me away and will you make me your wife?

I gotta know right now
Before we go any further
Do you love me?
And will you love me forever?

What's it gonna be, boy?
Come on, I can wait all night
What's it gonna be, boy?
Yes or no?
What's it gonna be, boy?
Yes or no?

Let me sleep on it
Baby, baby let me sleep on it
Let me sleep on it
And I'll give you an answer in the morning
I gotta know right now
Do you love me? (Let me sleep on it)
Will you love me forever? (Baby, baby let me sleep on it)
Do you need me?
Will you never leave me?
Will you make me so happy (let me sleep on it)
For the rest of my life? (I'll give you an answer in the morning)
Will you take me away (I'll give you an answer in the morning)
I gotta know right now?
Before we go any further
Do you love me?
Will you love me forever?

Let me sleep on it
Will you love me forever

Let me sleep on it
Will you love me forever

I couldn't take it any longer Lord I was crazed
And when the feeling came upon me like a tidal wave
I started swearing to my god and on my mother's grave
That I would love you to the end of time
I swore, that I would love you to the end of time
So now I'm praying for the end of time
To hurry up and arrive
'Cause if I gotta spend another minute with you
I don't think that I can really survive
I'll never break my promise or forget my vow
But god only knows what I can do right now
I'm praying for the end of time

It's all that I can do (oh oh oh)

Praying for the end of time, so I can end my life with you

It was long ago and it was far away

And it was so much better that it is today

It was long ago and it was far away (it never felt so good, it never felt so right)

And it was so much better that it is today (and we were glowing like, a metal on the edge of a knife)

It was long ago and it was far away (it never felt so good, it never felt so right)

And it was so much better that it is today (and we were glowing like, a metal on the edge of a knife)

It was long ago and it was far away (it never felt so good, it never felt so right)

And it was so much better that it is today (and we were glowing like, a metal on the edge of a knife)

It was long ago and it was far away (it never felt so good, it never felt so right)

And it was so much better that it is today (and we were glowing like, a metal on the edge of a knife)

It was long ago and it was far away (it never felt so good, it never felt so right)

And it was so much better that it is today (and we were glowing like, a metal on the edge of a knife)

It was long ago and it was far away (it never felt so good, it never felt so right)

And it was so much better that it is today (and we were glowing like, a metal on the edge of a knife)

13. Last Christmas

Wham!

Last Christmas, I gave you my heart
But the very next day you gave it away
This year, to save me from tears
I'll give it to someone special

Last Christmas, I gave you my heart
But the very next day you gave it away
This year, to save me from tears
I'll give it to someone special

Once bitten and twice shy
I keep my distance
But you still catch my eye
Tell me, baby
Do you recognize me?
Well, it's been a year
It doesn't surprise me
(Merry Christmas!) I wrapped it up and sent it
With a note saying, "I love you, " I meant it
Now, I know what a fool I've been
But if you kissed me now
I know you'd fool me again

Last Christmas, I gave you my heart
But the very next day you gave it away
This year, to save me from tears
I'll give it to someone special

Last Christmas, I gave you my heart
But the very next day you gave it away
This year, to save me from tears
I'll give it to someone special

A crowded room, friends with tired eyes
I'm hiding from you, and your soul of ice
My god, I thought you were someone to rely on
Me? I guess I was a shoulder to cry on

A face on a lover with a fire in his heart
A man under cover but you tore me apart
Now, I've found a real love you'll never fool me again

Last Christmas, I gave you my heart
But the very next day you gave it away
This year, to save me from tears
I'll give it to someone special

Last Christmas, I gave you my heart
But the very next day you gave it away
This year, to save me from tears
I'll give it to someone special

A face on a lover with a fire in his heart
A man under cover but you tore him apart
Maybe next year I'll give it to someone
I'll give it to someone special

14. All I Want for Christmas Is You

Mariah Carey

I don't want a lot for Christmas
There is just one thing I need
I don't care about the presents
Underneath the Christmas tree
I just want you for my own
More than you could ever know
Make my wish come true oh
All I want for Christmas is you

I don't want a lot for Christmas
There is just one thing I need, and I
Don't care about the presents
Underneath the Christmas tree
I don't need to hang my stocking
There upon the fireplace
Santa Claus won't make me happy
With a toy on Christmas day

I just want you for my own
More than you could ever know
Make my wish come true
All I want for Christmas is you

I won't ask for much this Christmas
I won't even wish for snow, and I
I just wanna keep on waiting
Underneath the mistletoe

I won't make a list and send it
To the North Pole for Saint Nick
I won't even stay awake
To hear those magic reindeer click

'Cause I just want you here tonight
Holding on to me so tight
What more can I do
Oh, Baby all I want for Christmas is you

All the lights are shining
So brightly everywhere
And the sound of children's
Laughter fills the air

And everyone is singing
I hear those sleigh bells ringing
Santa won't you bring me
The one I really need
Won't you please bring my baby to me quickly

I don't want a lot for Christmas
This is all I'm asking for
I just wanna see my baby
Standing right outside my door

I just want you for my own
More than you could ever know
Make my wish come true
Baby all I want for Christmas is you
All I want for Christmas is you, baby

15. Happy Xmas (War Is Over)

John Lennon, Yoko Ono, ...

So this is Christmas
And what have you done
Another year over
And a new one just begun
And so this is Christmas
I hope you have fun
The near and the dear one
The old and the young

A very Merry Christmas
And a happy new year
Let's hope it's a good one
Without any fear

And so this is Christmas
For weak and for strong
For rich and the poor ones
The world is so wrong
And so happy Christmas
For black and for white
For yellow and red one
Let's stop all the fight

A very Merry Christmas
And a happy new year
Let's hope it's a good one
Without any fear

And so this is Christmas
And what have we done
Another year over
A new one just begun
And so happy Christmas

We hope you have fun
The near and the dear one
The old and the young

A very Merry Christmas
And a happy new year
Let's hope it's a good one
Without any fear
War is over, if you want it
War is over now

la, la, ah, ah
Happy Christmas
Happy Christmas (happy Christmas)
Happy Christmas (happy Christmas)

16. Valerie

Amy Winehouse

Well sometimes I go out by myself
And I look across the water
And I think of all the things, what you're doing
And in my head I paint a picture

'Cause since I've come on home,
Well my body's been a mess
And I've missed your ginger hair
And the way you like to dress
Won't you come on over
Stop making a fool out of me
Why don't you come on over Valerie?

Valerie

Valerie

Valerie

Did you have to go to jail,
Put your house up for sale, did you get a good lawyer?
I hope you didn't catch a tan,
I hope you'll find the right man who'll fix it for ya
And are you shopping anywhere,
Changed the color of your hair, are you busy?
And did you have to pay that fine
You were dodging all the time, are you still dizzy?

'Cause since I've come on home,
Well my body's been a mess
And I've missed your ginger hair
And the way you like to dress
Won't you come on over
Stop making a fool out of me
Why don't you come on over Valerie?

Valerie

Valerie

Valerie

Well sometimes I go out by myself
And I look across the water
And I think of all the things, what you're doing
And in my head I paint a picture

'Cause since I've come on home,
Well my body's been a mess
And I've missed your ginger hair
And the way you like to dress
Won't you come on over
Stop making a fool out of me
Why don't you come on over Valerie?

Valerie

Valerie

Valerie

Valerie

Valerie

Valerie

Valerie

Valerie

Why don't come over Valerie?

17. (Sittin' on) the Dock of the Bay

Otis Redding

Sittin' in the mornin' sun
I'll be sittin' when the evenin' comes
Watchin' the ships roll in
Then I watch 'em roll away again

I'm sittin' on the dock of the bay
Watchin' the tide, roll away
I'm sittin' on the dock of the bay
Wastin' time

I left my home in Georgia
And I headed for the Frisco Bay
'Cause I've got nothin' to live for
Looks like nothin's gonna come my way, so

I'm just come sittin' on the dock of the bay
Watchin' the tide roll away
I'm sittin' on the dock of the bay, wastin' time

Looks like nothin's gonna change
Everything seems to stay the same
I can't do what ten people tell me to do
So I guess I'll remain the same

I'm sittin' here restin' my bones
And this loneliness won't leave me alone
This two thousand miles I roamed
Just to make this dock my home
Now I'm just sittin' on the dock of the bay

Watchin' the tide roll away
Sittin' on the dock of the bay
I'm wastin' time

18. These Boots Are Made for Walkin'

Nancy Sinatra

You keep saying you got something for me
Something you call love but confess
You've been a'messin' where you shouldn't 've been a'messin'
And now someone else is getting all your best

These boots are made for walking
And that's just what they'll do
One of these days these boots are gonna walk all over you

You keep lyin' when you oughta be truthin'
You keep losing when you oughta not bet
You keep samin' when you oughta be a'changin'
Now what's right is right but you ain't been right yet

These boots are made for walking
And that's just what they'll do
One of these days these boots are gonna walk all over you

You keep playing where you shouldn't be playing
And you keep thinking that you'll never get burnt (HAH)
I just found me a brand new box of matches (YEAH)
And what he knows you ain't had time to learn

These boots are made for walking,
And that's just what they'll do
One of these days these boots are gonna walk all over you
Are you ready, boots? Start walkin'

19. Make You Feel My Love

Adele

When the rain is blowing in your face
And the whole world is on your case
I could offer you a warm embrace
To make you feel my love

When the evening shadows and the stars appear
And there is no one there to dry your tears
Oh, I hold you for a million years
To make you feel my love

I know you haven't made your mind up yet
But I will never do you wrong
I've known it from the moment that we met
No doubt in my mind where you belong

I'd go hungry; I'd go black and blue
And I'd go crawling down the avenue
No, there's nothing that I wouldn't do
To make you feel my love

The storms are raging on the rolling sea
And on the highway of regret
The winds of change are blowing wild and free
You ain't seen nothing like me yet

I could make you happy, make your dreams come true
There's nothing that I wouldn't do
Go to the ends of this Earth for you
To make you feel my love, oh yes
To make you feel my love

20. Do they know it's Christmas

John Lennon

It's Christmas time
There's no need to be afraid
At Christmas time
We let in light and we banish shade

And in our world of plenty
We can spread a smile of joy
Throw your arms around the world
At Christmas time

But say a prayer
Pray for the other ones
At Christmas time, it's hard
But when you're having fun

There's a world outside your window
And it's a world of dreaded fear
Where the only water flowing
Is a bitter sting of tears

And the Christmas bells that ring there
Are the clanging chimes of doom
We'll, tonight, thank God, it's them
Instead of you

And there won't be snow in Africa this Christmas time
The greatest gift they'll get this year is life
Where nothing ever grows, no rain or rivers flow
Do they know it's Christmas time at all?

Here's to you, raise your glass for everyone
Here's to them, underneath that burning sun
Do they know it's Christmas time at all?

Feed the world (3x)

Let them know it's Christmas time and (3x)

21. Go Your Own Way

Fleetwood Mac

Loving you
Isn't the right thing to do
How can I ever change things
That I feel

If I could
Maybe I'd give you my world
How can I
When you won't take it from me

You can go your own way
Go your own way
You can call it
Another lonely day
You can go your own way
Go your own way

Tell me why
Everything turned around
Packing up
Shacking up is all you want to do

If I could
Baby, I'd give you my world
Open up
Everything's waiting for you

You can go your own way
Go your own way
You can call it
Another lonely day
You can go your own way
Go your own way

You can go your own way
Go your own way
You can call it
Another lonely day
Another lonely day
You can go your own way
Go your own way
You can call it
Another lonely day

You can go your own way
You can call it
Another lonely day
You can go your own way

22. Africa

Toto

I hear the drums echoing tonight
But she hears only whispers of some quiet conversation
She's coming in, 12:30 flight
The moonlit wings reflect the stars that guide me towards salvation
I stopped an old man along the way
Hoping to find some old forgotten words or ancient melodies
He turned to me as if to say, "Hurry boy, it's waiting there for you"

It's gonna take a lot to drag me away from you
There's nothing that a hundred men or more could ever do
I bless the rains down in Africa
Gonna take some time to do the things we never had (ooh, ooh)

The wild dogs cry out in the night
As they grow restless, longing for some solitary company
I know that I must do what's right
As sure as Kilimanjaro rises like Olympus above the Serengeti
I seek to cure what's deep inside, frightened of this thing that I've become

It's gonna take a lot to drag me away from you
There's nothing that a hundred men or more could ever do
I bless the rains down in Africa
Gonna take some time to do the things we never had (ooh, ooh)

Hurry boy, she's waiting there for you

It's gonna take a lot to drag me away from you
There's nothing that a hundred men or more could ever do
I bless the rains down in Africa
I bless the rains down in Africa
(I bless the rain)
I bless the rains down in Africa (I bless the rain)
I bless the rains down in Africa
I bless the rains down in Africa (ah, gonna take the time)
Gonna take some time to do the things we never had (ooh, ooh)

23. The Sound of Silence

Simon & Garfunkel

Hello darkness, my old friend
I've come to talk with you again
Because a vision softly creeping
Left its seeds while I was sleeping
And the vision that was planted in my brain
Still remains
Within the sound of silence
In restless dreams I walked alone
Narrow streets of cobblestone
'Neath the halo of a street lamp
I turned my collar to the cold and damp
When my eyes were stabbed by the flash of a neon light
That split the night
And touched the sound of silence

And in the naked light I saw
Ten thousand people, maybe more
People talking without speaking
People hearing without listening
People writing songs that voices never share
And no one dare
Disturb the sound of silence

"Fools" said I, "You do not know
Silence like a cancer grows
Hear my words that I might teach you
Take my arms that I might reach you"
But my words like silent raindrops fell
And echoed
In the wells of silence

And the people bowed and prayed
To the neon god they made
And the sign flashed out its warning

In the words that it was forming
And the sign said, "The words of the prophets
Are written on the subway walls
And tenement halls"
And whisper'd in the sounds of silence

24 A. I Wanna Dance With Somebody (Who Loves Me)

Whitney Houston

Clock strikes upon the hour
And the sun begins to fade
Still enough time to figure out
How to chase my blues away
I've done alright up to now
It's the light of day that shows me how
And when the night falls, loneliness calls

Oh, I wanna dance with somebody
I wanna feel the heat with somebody
Yeah, I wanna dance with somebody
With somebody who loves me
Oh, I wanna dance with somebody
I wanna feel the heat with somebody
Yeah, I wanna dance with somebody
With somebody who loves me

I've been in love and lost my senses
Spinning through the town
Sooner or later, the fever ends
And I wind up feeling down
I need a man who'll take a chance
On a love that burns hot enough to last
So when the night falls
My lonely heart calls

Oh, I wanna dance with somebody
I wanna feel the heat with somebody
Yeah, I wanna dance with somebody
With somebody who loves me
Oh, I wanna dance with somebody
I wanna feel the heat with somebody
Yeah, I wanna dance with somebody
With somebody who loves me

Somebody oo Somebody oo
Somebody who loves me yeah
Somebody oo Somebody oo
To hold me in his arms oh
I need a man who'll take a chance
On a love that burns hot enough to last
So when the night falls
My lonely heart calls

Oh, I wanna dance with somebody
I wanna feel the heat with somebody
Yeah, I wanna dance with somebody
With somebody who loves me
Oh, I wanna dance with somebody
I wanna feel the heat with somebody
Yeah, I wanna dance with somebody
With somebody who loves me

Don'tcha wanna dance with me baby
Dontcha wanna dance with me boy
Hey Don'tcha wanna dance with me baby
With somebody who loves me

Don'tcha wanna dance say you wanna dance
Don'tcha wanna dance
Don'tcha wanna dance say you wanna dance
Don'tcha wanna dance
Don'tcha wanna dance say you wanna dance
With somebody

24 B. Billie Jean

Michael Jackson

She was more like a beauty queen from a movie scene
I said don't mind, but what do you mean, I am the one
Who will dance on the floor in the round
She said I am the one, who will dance on the floor in the round

She told me her name was Billie Jean, as she caused a scene
Then every head turned with eyes that dreamed of being the one
Who will dance on the floor in the round

People always told me be careful of what you do
And don't go around breaking young girls' hearts
And mother always told me be careful of who you love
And be careful of what you do 'cause the lie becomes the truth

Billie Jean is not my lover
She's just a girl who claims that I am the one
But the kid is not my son
She says I am the one, but the kid is not my son

For forty days and forty nights
The law was on her side
But who can stand when she's in demand
Her schemes and plans
'Cause we danced on the floor in the round
So take my strong advice, just remember to always think twice
(Don't think twice, don't think twice)

She told my baby we'd danced till three, then she looked at me
Then showed a photo my baby cried his eyes were like mine (oh, no!)
'Cause we danced on the floor in the round, baby

People always told me be careful of what you do
And don't go around breaking young girls' hearts
She came and stood right by me
Just the smell of sweet perfume
This happened much too soon
She called me to her room

Billie Jean is not my lover
She's just a girl who claims that I am the one
But the kid is not my son

Billie Jean is not my lover
She's just a girl who claims that I am the one
But the kid is not my son
She says I am the one, but the kid is not my son
She says I am the one, but the kid is not my son

Billie Jean is not my lover
She's just a girl who claims that I am the one
But the kid is not my son
She says I am the one, but the kid is not my son

She says I am the one,
(You know what you did, (she says he is my son)breaking my heart babe)
She says I am the one

Billie Jean is not my lover
Billie Jean is not my lover
Billie Jean is not my lover
Billie Jean is not my lover (don't Billie Jean)
Billie Jean is not my lover
Billie Jean is not my lover

Aretha Franklin

What you want

(Re, re, re, re) when you come home

(Re, re, re, re) 'spect

And find out I'm gone (just a little bit)
