76. Holiday in Spain

BLØF, Counting Crows

Ik kan nergens heen
Maar in het zuiden wacht een vrouw nog steeds op mij alleen
Ze heeft flessen vol tequila en flessen vol gin
En dan neem ik m'n gitaar mee en m'n gouden ring
Er zijn vliegtuigstoelen, miljoenen bij bedoeling
En bovendien zijn er limousines
En er zijn leugens over sterren die we toch nooit zien, misschien

Neem ik Spanje als besluit
En laat m'n schepen achter
Ik ga er stiekem tussenuit
Een vluchtweg naar een nieuw begin

Well, hop on my choo-choo
I'll be your engine driver in a bunny suit
If you dress me up in pink and white
We may be just a little fuzzy 'bout it later tonight
She my angel
She's a little better than the one that used to be with me
'Cause she liked to scream at me
Man, it's a miracle that she's not living up in a tree, I may

take a holiday in Spain
Leave my wings behind me
Drive this little girl insane
And fly away to someone new

Everybody's gone
They left the television screaming that the radio's on
M'n schoenen zijn gejat
Maar ik hoef niet meer naar buiten want er is nog wel wat

Well, Happy New Year's, baby
We could probably fix it if we clean it up all day
Or we could simply pack our bags
En gaan meteen naar Barcelona want we moeten hier weg

Misschien neem ik Spanje als besluit
En laat m'n schepen achter
(Making the best of all that's left to me)

Ik ga er stiekem tussenuit
Een vluchtweg naar een nieuw begin
(All the lies she said just seem to break me in two)

Ik neem als Spanje als besluit
En laat m'n schepen achter
(Most of the time rewinding the lines, ah)
Ik ga er stiekem tussenuit

(I'm taking a day to get out of the way)

Een vluchtweg naar een nieuw begin
(Making my way back home to you again)

Geef me de tijd om te redden wie ik ben
(All of the lines she said)

Dagen vertragen tot ze stoppen en stilstaan
(I'm taking a day to get out of the way)

Geef me de tijd om mezelf terug te vinden
(Making my way back home to you again)

Ik maak alles goed met wat er overblijft
(All of the lines she said)

77. Ik kan het niet alleen

De Dijk

Elke morgen
Elke middag
Elke avond
Iedere nacht
Stel dat ik er wel
Maar jij er niet was
Dan was morgen
Morgen waarschijnlijk weer zo'n dag

En ik kan het niet
Ik kan het niet, ik kan het niet
kkkkan het niet
Ik kan het niet alleen

Natte ramen
Kale muren
Lege flessen
Lege flessen op de gang
Lange tanden
Late uren, late uren
Weinig zon
Weinig zon en veel behang

En ik kan het niet
Ik kan het niet, ik kan er niet omheen
kkkkkan het niet
Ik kan het niet alleen
En ik kan het niet
Ik kan het niet, ik kan het niet
Ik heb het geprobeerd
Gedaan wat ik kan

Maar alles gaat verkeerd
Ik ben ook maar een man
En ik kan het niet alleen

Elke morgen
'S middags
'S avonds
Maar vooral 's nachts
Stel dat ik er wel
En jij er niet was
Dan was morgen
Morgen waarschijnlijk weer zo'n dag

En ik kan het niet
Ik kan het niet ik kan er niet omheen
kkkk kan het niet
Ik kan het niet alleen
En ik kan het niet
Ik kan het niet, ik kan het niet
Ik heb het geprobeerd
Gedaan wat ik kan
Maar alles gaat verkeerd
Ik ben ook maar een man
En ik kan het niet alleen
En ik kan het niet
Ik kan het niet, ik kan het niet
Oh ik kan het niet
Ik kan het niet ik kan het niet
Ik kan het niet alleen (19x)

78. I Can't Stop Loving You

Phil Collins

So you're leavin'
In the mornin'
On the early train
Well, I could say everything's all right
And I could pretend and say goodbye
Got your ticket
Got your suitcase
Got your leaving smile
Though I could say that's the way it goes
And I could pretend and you won't know
That I was lying

'Cause I can't stop loving you
No, I can't stop loving you
No, I won't stop loving you
Why should I?

We took a taxi
To the station
Not a word was said
And I saw you walk across the road
For maybe the last time, I don't know
Feeling humble
Heard a rumble on the railway track
And when I hear the whistle blow
I'll walk away and you won't know
That I'll be crying

'Cause I can't stop loving you
No, I can't stop loving you
No, I won't stop loving you
Why should I?

Even try
I'll always be here by your side
(Why, why, why?)
I never wanted to say goodbye
(Why even try?)
I'm always here if you change
Change your mind

So you're leavin'
In the mornin'
On the early train
Well, I could say everything's alright
And I could pretend and say goodbye
But that would be lying

'Cause I can't stop loving you (can't stop loving you)
No, I can't stop loving you (I won't stop loving you)
No, I won't stop loving you
Why should I? (Why should I even try?)
'Cause I can't stop loving you (can't stop loving you)
No, I can't stop loving you (won't stop loving you)
No, I won't stop loving you
Why should I? (why should I)
Why should I? (Tell me, why?)
Why should I even try?

79. Car Wash

Rose Royce

Ooh ooh

You might not ever get rich

But let me tell ya it's better than diggin' a ditch

There ain't no tellin' who you might meet

A movie star or maybe even an Indian chief

At the car wash

Workin' at the car wash, yeah

Come on and sing it with me

(Car wash)

Sing it with the feelin' y'all

(Car wash, yeah)

Ooh

Come, some of the work gets kinda hard

This ain't no place to be if you planned on bein' a star

Let me tell you it's always cool

And the boss don't mind sometimes if you act the fool

At the car wash

Whoa whoa whoa whoa

Talkin' about the car wash, yeah

Come on, ya'all and sing it for me

(Car wash)

Ooh ooh ooh

(Car wash, yeah)

(work, and work)

Well, those cars never seem to stop coming

(Work and work)

Keep those rags and machines humming

(Work and work)

My fingers to the bone

(Work)

keep on I can't wait 'til it's time to go home

(hey get your car washed today)

Fill up and you don't have to pay

Come on and give us a play

(Do the wash, right away)

Talkin' 'bout the car wash

Car wash, yeah

Come on, y'all, let's sing it with me

(Car wash)

Sing it with feelin', y'all

(Car wash, yeah)

Whoa whoa whoa whoa

(Car wash)

Never seem to stop comin'

What'd I say

Keep those rags and machines hummin'

(Car wash)

Let me tell you, it's always cool

And the boss don't mind sometimes if you act the fool

At the car wash

80. The winner takes it all

ABBA

I don't wanna talk
About things we've gone through
Though it's hurting me
Now it's history
I've played all my cards
And that's what you've done too
Nothing more to say
No more ace to play

The winner takes it all
The loser's standing small
Beside the victory
That's her destiny

I was in your arms
Thinking I belonged there
I figured it made sense
Building me a fence
Building me a home
Thinking I'd be strong there
But I was a fool
Playing by the rules
The gods may throw a dice
Their minds as cold as ice
And someone way down here
Loses someone dear

The winner takes it all (takes it all)
The loser has to fall (has to fall)
It's simple and it's plain (this is plain)
Why should I complain? (Why complain?)

But tell me, does she kiss
Like I used to kiss you?
Does it feel the same
When she calls your name?
Somewhere deep inside
You must know I miss you
But what can I say?
Rules must be obeyed
The judges will decide (will decide)
The likes of me abide (me abide)
Spectators of the show (of the show)
Always staying low (staying low)
The game is on again (on again)
A lover or a friend (or a friend)
A big thing or a small (big or small)
The winner takes it all (takes it all)

I don't wanna talk
If it makes you feel sad
And I understand
You've come to shake my hand
I apologize
If it makes you feel bad
Seeing me so tense
No self-confidence
But you see

The winner takes it all
The winner takes it all
So the winner takes it all
And the loser has to fall
Throw the dice, cold as ice
Way down here, someone dear
Takes it all, has to fall
This is plain, why complain?

81. Ich bin wie du

Marianne Rosenberg

Ich bin wie du
Wir sind wie Sand und Meer
Und darum brauch' ich dich so sehr
Ich bin wie du
Wir sind wie Tag und Nacht
Und für einander immer nur da
Für immer nur da!

Und du weißt
Dennoch lass ich dir die Freiheit
Weil man sich dann leichter treu bleibt
Ich genau so wie du
Gerade das (gerade das)
Das macht unsre Liebe anders
Das macht unsre Liebe so anders
Und ich finde das gut

Ich bin wie du
Wir sind wie Sand und Meer
Und darum brauch ich dich so sehr
Ich bin wie du huh
Ich bin wie du
Genau wie du hu
Uh uh
Oh ho

Was auch kommt
Wir beide werden uns nie trennen
Wir lernen uns nur besser kennen
Ich genau so wie du
Gerade das (gerade das)
Das macht unsre Liebe anders

Das macht unsre Liebe so anders
Und ich finde das gut
Oh oh oh

Ich bin wie du
Wir sind wie Sand und Meer
Und darum brauch' ich dich so sehr
No, no no
Ich bin wie du
Wir sind wie Tag und Nacht
Und für einander immer nur da

Ooh ooh ooh ooh! 4x

82. Sinds 1 dag of 2

Doe Maar

Sinds 1 dag of 2, vlinders in mijn hoofd
Sinds 1 dag of 2, aangenaam verdoofd
'k Was haast vergeten hoe 't voelt om verliefd te zijn
Ik kijk om me heen door een roze bril
Veel te lang alleen, 'k stond een beetje stil
Hoe kon 'k 't weten, m'n wereldje was zo klein
'tis Wel een beetje raar, 32 jaar
Trillend op m'n benen, als ze is verdwenen

ooh la lalala
Ze is, ze is van mij... 4x
Ooh lalalalal

Mannen bij de vleet, wachtend in een rij
Doet me toch geen reet want ze kijkt naar mij
Liefde, o, liefde, waar was jij toch al die tijd
O, alles wat ze zegt slik ik voor zoete koek
En mijn scherpe blik is ook al dagen zoek
Het kan me niet schelen zolang ze maar met me vrijt
'tis wel een beetje raar, 32 jaar
Trillend op m'n benen als ze is verdwenen
Ze is, ze is van mij...

ooh la lalala
Ze is, ze is van mij... 3x

Ooh lalalala

ooh la lalala
Ze is, ze is van mij... 7x

83. Love me just a little bit more

Dolly dots

Give me love, don't take it away from me
'Cause you and I can live in perfect harmony
Oh baby, oh baby, don't take it away from me
I am tired of living all by myself
Reach out for live don't leave it laying on the shelf
Oh baby, oh baby, don't take it away from me

Love me, need me
Love me just a little bit more
Take me, hold me
Love me like you loved me before
Call me and I'll be knocking on your door
So love me just a little
Love me just a little bit more

Take my hand and I will lead the way
To find the road which led us to our dream that day
Oh baby, oh baby, please let me lead the way
Stay around, don't turn your back on me
Before we know it all will be a memory
Oh baby, oh baby, don't turn your back on me

Love me, need me
Love me just a little bit more
Take me, hold me
Love me like you loved me before
Call me and I'll be knocking on your door
So love me just a little
Love me just a little bit more

I have tried to live without you
I have tried to get away from you
But what could I do
It's not easy to
Keep on fighting like this
It's you that I miss
I'm totally hooked on you

Love me, need me
Love me just a little bit more
Take me, hold me
Love me like you loved me before

love me, me need me whohoa
Take me hold me whohoa
love me, me need me whohoa
Take me hold me whohoa
love me, me need me whohoa
Take me hold me whohoa

84. België (Is er leven op Pluto...)

Het Goede Doel

Waar kan ik heen,
ik kan niet naar Duitsland
Ik kan niet naar Duitsland, daar zijn ze zo streng
Waar kan ik heen, ik kan niet naar Chili
Ik wil niet naar Chili, daar doen ze zo eng

Ik wil niet wonen in Koeweit
Want Koeweit dat is me te heet
En wat Amerika betreft
Dat land bestaat niet echt

Waar kan ik heen, k'wil niet naar Noord-Ierland
Niet naar Noord-Ierland, daar gaat alles stuk
Waar kan ik heen, ik kan niet naar China
Ik ga niet naar China, dat wordt me te druk

Ik wil niet wonen in Schotland
Want Schotland dat is me te nat
En de U.S.S.S.R. Dat gaat me net te ver
{Is er leven op Pluto
Kun je dansen op de maan
Is er een plaats tussen de sterren
Waar ik heen kan gaan}} 2x

Waar kan ik heen, ik kan niet naar Cuba
Ik wil niet naar Cuba, dat is me te zoet
Waar kan ik heen, ik kan niet naar Polen
Ik ga niet naar Polen, daar gaat het te goed

Ik wil niet wonen in Lapland
Want Lapland dat is me te koud
En ik wil weg uit Nederland
Want hier krijg ik het benauwd

{{Is er leven op Pluto
Kun je dansen op de maan
Is er een plaats tussen de sterren
Waar ik heen kan gaan}} 2x

Ik heb getwijfeld over België
Omdat iedereen daar lacht
Ik heb getwijfeld over België
Want dat taaltje is zo zacht

{{Ik stond zelfs in dubio
Maar ik nam geen enkel risico
Ik heb getwijfeld over België}} 2x

Belgie, Belgie, Belgie, Belgie

{{Is er leven op Pluto
Kun je dansen op de maan
Is er een plaats tussen de sterren
Waar ik heen kan gaan}} 2x

85. Islands in the stream

Dolly Parton-Kenny Rogers

Baby, when I met you there was peace unknown
I set out to get you with a fine tooth comb
I was soft inside
There was something going on
You do something to me that I can't explain
Hold me closer and I feel no pain
Every beat of my heart
We got something going on

Tender love is blind
It requires a dedication
All this love we feel needs no conversation
We ride it together, ah ha
Making love with each other, ah ha

Islands in the stream
That is what we are
No one in between
How can we be wrong?
Sail away with me
To another world
And we rely on each other, ah ha
From one lover to another, ah ha

I can't live without you if the love was gone
Everything is nothing if you got no one
And you did walk in the night
Slowly losing sight of the real thing
But that won't happen to us and we got no doubt
Too deep in love and we got no way out
And the message is clear
This could be the year for the real thing

No more will you cry
Baby, I will hurt you never
We start and end as one
In love forever
We can ride it together, ah ha
Making love with each other, ah ha

Islands in the stream
That is what we are
No one in between
How can we be wrong?
Sail away with me
To another world
And we rely on each other, ah ha
From one lover to another, ah ha

Sail away
Oh, come sail away with me

Islands in the stream
That is what we are
No one in between
How can we be wrong?
Sail away with me
To another world
And we rely on each other, ah ha
From one lover to another, ah ha
Islands in the stream
That is what we are
No one in between
How can we be wrong?
Sail away with me
To another world
And we rely on each other, ah ha
From one lover to another, ah ha

86. Accidentally in love

Counting Crows

So she said what's the problem baby
What's the problem I don't know
Well maybe I'm in love (love)
Think about it every time
I think about it
Can't stop thinking about it

How much longer will it take to cure this
Just to cure it 'cause I can't ignore it if it's love (love)
Makes me want to turn around and face me
But I don't know nothing about love, oh

Come on, come on
Turn a little faster
Come on, come on
The world will follow after
Come on, come on
Because everybody's after love

So I said I'm a snowball running
Running down into the spring that's coming all this love
Melting under blue skies
Belting out sunlight
Shimmering love
Well baby I surrender
To the strawberry ice cream
Never ever end of all this love
Well I didn't mean to do it
But there's no escaping your love, oh

These lines of lightning mean
We're never alone
Never alone, no, no

Come on, come on
Move a little closer
Come on, come on
I want to hear you whisper
Come on, come on
Settle down inside my love, oh
Come on, come on
Jump a little higher
Come on, come on
If you feel a little lighter
Come on, come on
We were once upon a time in love
We're accidentally in love

{{Accidentally in love}} 7 x

Accidentally

{{I'm in love, I'm in love}} 3 x

Accidentally

{{I'm in love, I'm in love}} 3 x

Accidentally

Come on, come on
Spin a little tighter
Come on, come on
And the world's a little brighter
Come on, come on
Just get yourself inside her love
I'm in love

87. Could you be loved

Bob Marley & the Wailers

Could you be loved and be love?
Could you be loved and be love?

Don't let them fool ya
Or even try to school ya! Oh, no!
We've got a mind of our own
So go to hell, if what you're thinking isn't right!
Love would never leave us alone
A-in the darkness, there must come out to light

Could you be loved and be loved?
Could you be loved, wo yeah! - and be loved?

The road of life is rocky and you may stumble too
So while you point your fingers someone else is judging you

Love your brotherman!
Could you be, could you be, could you be loved?
Could you be, could you be loved?
Could you be, could you be, could you be loved?
Could you be, could you be loved?

Don't let them change ya, oh!

Or even rearrange ya!

Oh, no!
We've got a life to live
(Ooh, ooh, oohh)
They say, Only... Only
Only the fittest of the fittest shall survive -
Stay alive! Ehh!

Could you be loved and be loved?
Could you be loved, wo yeah! - and be loved?

Never miss your water until your well runs dry
No matter how you treat him, the man will never be satisfied

Say something! (Could you be - could you be - could you be
loved?)

Could you be - could you be loved?)

Say something! Say something!

(Could you be - could you be - could you be loved?)

Say something!

Say something! Say something!! Say something!!

Say something! Say something!! (Could you be loved?)

Say something!! Say something!! Reggae, reggae!

Say something!! Rockers, rockers!

Say something!! Reggae, reggae!

Theezakje! Rockers, rockers!

Say something!! (Could you be loved?)

Say something!! Uh!

Say something!! Come on!

Say something!! (Could you be - could you be - could you be
loved?)

Say something!! (Could you be - could you be loved?)

Say something!! (Could you be - could you be - could you be
loved?)

Say something!!

Say something!!

88. Wouldn't it be nice

Beach Boys

Wouldn't it be nice if we were older?
Then we wouldn't have to wait so long
And wouldn't it be nice to live together
In the kind of world where we belong?

You know it's gonna make it that much better
When we can say goodnight and stay together

Wouldn't it be nice if we could wake up
In the morning when the day is new?
And after having spent the day together
Hold each other close the whole night through
Happy times together we've been spending
I wish that every kiss was never ending
Oh, wouldn't it be nice?

Maybe if we think and wish and hope and pray
It might come true
Baby, then there wouldn't be a single thing we couldn't do
Oh, we could be married (oh, we could be married)
And then we'd be happy (and then we'd be happy)
Oh, wouldn't it be nice?
You know it seems the more we talk about it
It only makes it worse to live without it
But let's talk about it
Oh, wouldn't it be nice?
Goodnight, my baby
Sleep tight, my baby
Goodnight, my baby
Sleep tight, my baby

89. Total eclipse of the heart

Bonny Tyler

Turnaround...

Every now and then I get a little bit lonely,
and you're never coming round...

Turnaround...

Every now and then I get a little bit tired,
of listening to the sound of my tears...

Turnaround...

Every now and then I get a little bit nervous,
that the best of all the years have gone by...

Turnaround...

Every now and then I get a little bit terrified,
and then I see the look in your eyes...

Turnaround, bright eyes

Every now and then I fall apart

Turnaround, bright eyes

Every now and then I fall apart

Turnaround...

Every now and then I get a little bit breathless,
and I dream of something wild...

Turnaround...

Every now and then I get a little bit helpless,
and I'm lying like a child in your arms...

Turnaround...

Every now and then I get a little bit angry,
and I know i've got to get out AND CRY

Turnaround...

Every now and then I get a little bit terrified,
but then I see the look in your eyes...

Turnaround, bright eyes

Every now and then I fall apart

Turnaround, bright eyes

Every now and then I fall apart

And I need you now tonight,
And I need you more than ever,
And if you only hold me tight
We'll be holding on forever,
And we'll only be making it right,
'Cause we'll never be wrong...
Together we can take it to the end of the line
Your love is like a shadow on me all of the time...
I don't know what to do and
I'm always in the dark
We're living in a powder keg
And giving off sparks!!!
I really need you tonight!!
Forever's gonna to start tonight
Forever's gonna to start tonight

Once upon a time I was falling in love
But now I'm only falling apart
There's nothing I can do
A total eclipse of the heart

Once upon a time there was light in my life
But now there's only love in the dark
Nothing I can say
A total eclipse of the heart

Turnaround, bright eyes
Turnaround, bright eyes

Turnaround...

Turnaround, bright eyes
Every now and then I fall apart
Turnaround, bright eyes
Every now and then I fall apart

And I need you now tonight
And I need you more than ever
And if you only hold me tight
We'll be holding on forever
And we'll only be making it right
'Cause we'll never be wrong
Together we can take it to the end of the line
Your love is like a shadow on me all of the time
I don't know what to do
I'm always in the dark
We're living in a powder keg
And giving off sparks
I really need you tonight!
Forever's gonna to start tonight
Forever's gonna to start tonight

Once upon a time I was falling in love
But now I'm only falling apart
Nothing I can say
A total eclipse of the heart
A total eclipse of the heart
A total eclipse of the heart

...Turnaround bright eyes
...Turnaround bright eyes, turn around..

90. Copacabanna

Barry Manilow

Her name was Lola, she was a showgirl
With yellow feathers in her hair and a dress cut down to there
She would merengue and do the cha-cha
And while she tried to be a star
Tony always tended bar
Across the crowded floor, they worked from eight til four
They were young and they had each other
Who could ask for more?

At the copa (co) Copacabana (Copacabana)
The hottest spot north of Havana (here)
At the copa (co) Copacabana
Music and passion were always the fashion
At the copa, they fell in love
Copa, Copacabana

His name was Rico
He wore a diamond
He was escorted to his chair, he saw Lola dancing there
And when she finished, he called her over
But Rico went a bit to far
Tony sailed across the bar
And then the punches flew and chairs were smashed in two
There was blood and a single gun shot
But just who shot who?
At the copa (co) Copacabana (Copacabana)
The hottest spot north of Havana (here)
At the copa (co) Copacabana
Music and passion were always the fashion
At the copa, she lost her love

(Copa, Copacabana)
(Copa, Copacabana)
(Copacabana)
(music and passion, always in fashion)

Her name is Lola, she was a showgirl
But that was thirty years ago, when they used to have a show
Now it's a disco, but not for Lola
Still in dress she used to wear
Faded feathers in her hair
She sits there so refined, and drinks herself half-blind
She lost her youth and she lost her Tony
Now she's lost her mind

At the copa (co) Copacabana (Copacabana)
The hottest spot north of Havana (here)
At the copa (co) Copacabana
Music and passion were always the fashion
At the copa don't fall in love
don't fall in love
(Copacabana)
(Copacabana)

91. The Best

Tina Turner

I call you when I need you, my heart's on fire
You come to me, come to me wild and wild
When you come to me
Give me everything I need

Give me a lifetime of promises and a world of dreams
Speak a language of love like you know what it means
Mmm, and it can't be wrong
Take my heart and make it strong, baby

You're simply the best
Better than all the rest
Better than anyone
Anyone I've ever met
I'm stuck on your heart
I hang on every word you say
Tear us apart
Baby, I would rather be dead

In your heart, I see the star of every night and every day
In your eyes, I get lost, I get washed away
Just as long as I'm here in your arms
I could be in no better place

You're simply the best
Better than all the rest
Better than anyone
Anyone I've ever met
Ooh, I'm stuck on your heart
I hang on every word you say
Don't tear us apart, no, no, no
Baby, I would rather be dead

Each time you leave me, I start losing control
You're walking away with my heart and my soul
I can feel you even when I'm alone
Oh baby, don't let go

Ooh, you're the best, ooh
Better than all the rest
Better than anyone
Anyone I've ever met
Ooh, I'm stuck on your heart
I hang on every word you say
Don't tear us apart, no, no
Baby, I would rather be dead
You're the best
Ooh, you're simply the best
Better than all the rest
Better than anyone
Anyone I've ever met
I'm stuck on your heart, baby
I hang on every word you say
Don't tear us apart, no, no, no
Baby, I would rather be dead
Oh, you're the best
You're better than all the rest
Better than anyone
Anyone I've ever met
Ooh, you're the best

92. Unwritten

Natasha Bedingfield

I am unwritten
Can't read my mind
I'm undefined
I'm just beginning
The pen's in my hand
Ending unplanned

Staring at the blank page before you
Open up the dirty window
Let the sun illuminate the words that you could not find
Reaching for something in the distance
So close you can almost taste it
Release your inhibitions

Feel the rain on your skin
No one else can feel it for you
Only you can let it in
No one else, no one else
Can speak the words on your lips
Drench yourself in words unspoken
Live your life with arms wide open
Today is where your book begins
The rest is still unwritten
Oh, oh, oh

I break tradition
Sometimes my tries are outside the lines
We've been conditioned to not make mistakes
But I can't live that way

Staring at the blank page before you
Open up the dirty window
Let the sun illuminate the words that you could not find
Reaching for something in the distance
So close you can almost taste it
Release your inhibitions

Feel the rain on your skin
No one else can feel it for you
Only you can let it in
No one else, no one else
Can speak the words on your lips
Drench yourself in words unspoken
Live your life with arms wide open
Today is where your book begins
Feel the rain on your skin
No one else can feel it for you
Only you can let it in
No one else, no one else
Can speak the words on your lips
Drench yourself in words unspoken
Live your life with arms wide open
Today is where your book begins
The rest is still unwritten

Staring at the blank page before you
Open up the dirty window
Let the sun illuminate the words that you could not find
Reaching for something in the distance
So close you can almost taste it
Release your inhibitions

Feel the rain on your skin
No one else can feel it for you
Only you can let it in
No one else, no one else
Can speak the words on your lips
Drench yourself in words unspoken
Live your life with arms wide open
Today is where your book begins
Feel the rain on your skin
No one else can feel it for you
Only you can let it in
No one else, no one else
Can speak the words on your lips
Drench yourself in words unspoken
Live your life with arms wide open
Today is where your book begins
The rest is still unwritten
The rest is still unwritten
The rest is still unwritten

93. The A Team

Ed Sheeran

White lips, pale face
Breathing in the snowflakes
Burnt lungs, sour taste
Light's gone, days end
Struggling to pay rent
Long nights, strange men

And they say
She's in the Class A Team
Stuck in her daydream
Been this way since 18
But lately, her face seems
Slowly sinking, wasting
Crumbling like pastries
And they scream
The worst things in life come free to us
'Cause we're just under the upper hand
And go mad for a couple grams
And she don't wanna go outside tonight
And in a pipe she flies to the motherland
Or sells love to another man
It's too cold outside
For angels to fly
Angels to fly

Ripped gloves, raincoat
Tried to swim, stay afloat
Dry house, wet clothes
Loose change, bank notes
Weary-eyed, dry throat
Call girl, no phone

And they say
She's in the Class A Team
Stuck in her daydream
Been this way since 18
But lately, her face seems
Slowly sinking, wasting
Crumbling like pastries
And they scream
The worst things in life come free to us
'Cause we're just under the upper hand
And go mad for a couple grams
But she don't wanna go outside tonight
And in a pipe she flies to the motherland
Sells love to another man
It's too cold outside
For angels to fly
An angel will die
Covered in white
Closed eyes and hopin' for a better life
This time, we'll fade out tonight
Straight down the line

And they say
She's in the Class A Team
Stuck in her daydream
Been this way since 18
But lately, her face seems
Slowly sinking, wasting
Crumbling like pastries
They scream
The worst things in life come free to us
And we're all under the upper hand
And go mad for a couple grams
And we don't wanna go outside tonight
And in the pipe, fly to the motherland

Or sell love to another man
It's too cold outside
For angels to fly
Angels to fly
Fly, fly
For angels to fly, to fly, to fly
Angels to die

94. My heart will go on

Céline Dion

Every night in my dreams
I see you, I feel you
That is how I know you go on
Far across the distance
And spaces between us
You have come to show you go on

Near, far, wherever you are
I believe that the heart does go on
Once more, you open the door
And you're here in my heart
And my heart will go on and on

Love can touch us one time
And last for a lifetime
And never let go 'til we're gone
Love was when I loved you
One true time I hold you
In my life, we'll always go on

Near, far, wherever you are
I believe that the heart does go on (why does the heart go on?)
Once more, you open the door
And you're here in my heart
And my heart will go on and on

You're here, there's nothing I fear
And I know that my heart will go on
We'll stay forever this way
You are safe in my heart and
My heart will go on and on

95. Time to say goodbye

Sarah Brightman

When I am alone I sit and dream, and when i dream the words
are missing

Yes I know that in a room so full of light, that all the light is
missing

But I don't see you with me, with me

Close up the windows, bring the sun to my room trough the door
you've opened

Close inside of me, the light you see that you met in the darkness

Time to say goodbye, horizons are never far

Would I have to find them alone, without true light of my own with
you

I will go on ships over seas that I now know

No, they don't exist anymore, it's time to say goodbye

When you were so far away, I sat alone and dreamt of the horizon

Then I know that you are here with me, with me

Building bridges over land and sea, shine a blinding light for you
and me

To see, for us to be

Time to say goodbye, horizons are never far

Would I have to find them alone, without true light of my own with
you

I will go on ships over seas that I now know

No, they don't exist anymore, it's time to say goodbye

so with you I will go on ships over seas that I now know

No, they don't exist anymore, it's time to say goodbye

so with you I will go

I will go.....

96. Joyful Joyful

Sister Act 2

Joyful, Joyful
Lord, we adore Thee
God of glory
Lord of love
Hearts unfold like flowers before Thee
Hail Thee as the sun above
Melt the clouds of sin and sadness
Drive the dark of doubt away
Giver of immortal gladness
Fill us with the light
Fill us with the light
Oh, fill us with the light of day

Joyful, Joyful
Lord, we adore Thee
God of glory
Lord of love
Hearts unfold like flowers before Thee
Hail Thee as the sun above
Melt the clouds of sin, sin and sadness
Drive the dark of doubt away
Drive it away
Giver of immortal gladness
Fill us
Fill us with the light of day
Light of day!

'Cause all I know is that I'm down with G-O-D
You down with G-O-D?
(Yeah, you know me)
You down with G-O-D?
(Yeah, you know me)

You down with G-O-D?
(Yeah, you know me)
Who's down with G-O-D?
(Everybody)

Come and join the chorus
The mighty, mighty chorus
Which the morning stars begun
The Father of love is reigning over us
Right away

What have you done for Him lately?
Ooh, ooh, ooh yeah
What have you done for Him lately?
He watches over everything
So we sing

Joyful, Joyful
Lord, we adore Thee
God of glory
Lord of love
Hearts unfold like flowers before Thee
Hail Thee as the sun above
Melt the clouds of sin, sin and sadness
Drive the dark of doubt away
Drive it away
Giver of immortal gladness (won't you)
Fill us (Fill us with the light of day, Lord, fill us)
Fill us (oh we need You, yes we do, fill us)
Fill us (yeah, oh, oh yeah)
Fill us (with the light of day, Lord)
(We need you, come right away,
We need you, need you today, we need you,
I'm here to say fill us, fill us, fill us, fill us)
Fill us with the light of day (oh, yeah)
Light of day!

97. Oh Happy Day

Sister Act 2

Oh happy day
Oh happy day
When Jesus washed
When Jesus washed
Jesus washed
oh happy day
Oh happy day

La, la, la, la, la, la, la, la, la
La, la, la, la, la
La, la, la, la, la, la, la
La, la, la, la, la

Oh happy day
Oh happy day
When Jesus washed
When Jesus washed
When Jesus washed

[Whoopi] La, la, la, la, la, la, la
La, la, la, la, la, la, la
[Whoopi] La, la, la, la, la
La, la, la, la, la

He taught me how
To wash
Fight and pray
Fight and pray
And live rejoicing
every, every day
Every day!

Oh happy day
Oh happy day
When Jesus washed
when Jesus washed
When Jesus washed
oh happy day
oh happy day
oh happy day
oh happy day

98. Last Train Home

John Mayer

If you wanna roll me
Then you gotta roll me all night long
And if you wanna use me
Then you gotta use me 'til I'm gone

I'm not a fallen angel
I just fell behind
I'm outta luck and I'm outta time
If you don't wanna love me
Let me go
I'm runnin' for the last train
I'm runnin' for the last train home

If you wanna know me
Then you gotta know me through and through
And if you gonna hurt me
Then you gotta hold me next to you

No matter how you work it
Things go wrong
I put my heart where it don't belong
So if you coming with me
Let me know
Maybe you're the last train
Maybe you're the last train home

I'm on the last train runnin'
I'm on the last train runnin'
And I surrender
And I surrender

I'm on the last train runnin'
I'm on the last train runnin'
And I surrender
And I surrender

I'm on the last train runnin'
I'm on the last train runnin'
And I surrender
And I surrender
I'm on the last train runnin'
I'm on the last train runnin'
And I surrender
I surrender

99. Home

Edward Sharpe & The Magnetic Zeros

Alabama, Arkansas
I do love my Ma and Pa
Not the way that I do love you

Well, holy moly, me oh my
You're the apple of my eye
Girl, I've never loved one like you

Man, oh, man you're my best friend
I scream it to the nothingness
There ain't nothing that I need

Well, hot and heavy, pumpkin pie
Chocolate candy, Jesus Christ
There ain't nothing please me more than you

Oh, home, let me come home
Home is whenever I'm with you
Oh, home, let me come home
Home is whenever I'm with you

La la la la
Take me home
Mama, I'm coming home

I'll follow you into the park
Through the jungle, through the dark
Girl, I've never loved one like you

Moats and boats, and waterfalls
Alleyways, and payphone calls
I been everywhere with you (that's true)

Laugh until we think we'll die
Barefoot on a summer night
Never could be sweeter than with you

And in the streets you run a-free
Like it's only you and me
Geez, you're something to see

Oh, home, let me come home
Home is whenever I'm with you
Oh, home, let me come home
Home is whenever I'm with you

La la la la
Take me home
Mama, I'm coming home

Jade?
Alexander?
Do you remember that day you fell outta my window?
I sure do, you came jumping out after me
Well, you fell on the concrete, nearly broke your ass
And you were bleeding all over the place
And I rushed you out to the hospital, you remember that?
Yes, I do

Well, there's something I never told you about that night
What didn't you tell me?
While you were sitting in the back seat smoking a cigarette
You thought was gonna be your last, I was falling deep
Deeply in love with you, and I never told you 'til just now!
Oh, oh

Oh, home, let me come home
Home is whenever I'm with you
Oh, home, let me come home
Home is when I'm alone with you

Home, let me come home
Home is wherever I'm with you
Oh, home, yes I am home
Home is when I'm alone with you

Alabama, Arkansas
I do love my Ma and Pa
Moats and boats, and waterfalls
Alleyways, and payphone calls

Home
Home
Home is when I'm alone with you
Home
Home
Home is when I'm alone with you

100. Parijs

Kenny B

Frisse morgen in Parijs

Gewoon m'n business

Ik zie de meest mooie Française, op d'r bung hoge hakken en ik,

Weet niet wat ik zeggen moet

Ik zeg: Bonjour, mon amour

Mademoiselle, tu est très belle

En eh, en zij zegt:

Je suis néerlandaise

Oh

Je parle en petit peu français

En ik zei

Praat Nederlands met me

Even Nederlands met me

Mijn gevoel zegt mij

Dat wij vanavond samen kijken

Naar de Champs-Élysées

En naar de Notre-Dame en aan de Seine

En daarna samen op la Tour Eiffel

M m m m

M m m

Ah

En ik voelde dat het goed zat

Ik zag haar zo verlegen lachen

Kan niet geloven dat het echt was

Zij de mijne zijn

Ze leek een mix van Doutzen, Edsilia en Anouk, oh oh oh

Er gebeurde iets met mij, toen zij zei
Je suis néerlandaise
Oh
Je parle en petit peu français
En ik zei

Praat Nederlands met me
Even Nederlands met me
Mijn gevoel zegt mij
Dat wij vanavond samen kijken
Naar de Champs-Élysées
En naar de Notre-Dame en aan de Seine
En daarna samen op la Tour Eiffel

Oh oh oh oh oh
Ah ah ah ah ah ah
Eh oh oh oh m m m

En dan nog een woordje voor ons
Je t'aime
Je t'aime
Je t'aime

Je t'aime
Je t'aime
Je t'aime

Praat Nederlands met me
Even Nederlands met me
Mijn gevoel zegt mij
Dat wij vanavond samen kijken
Naar de Champs-Élysées
En naar de Notre-Dame en aan de Seine
En daarna samen landen op Schiphol
Ah ah ah yeah
